Droopy-eyed

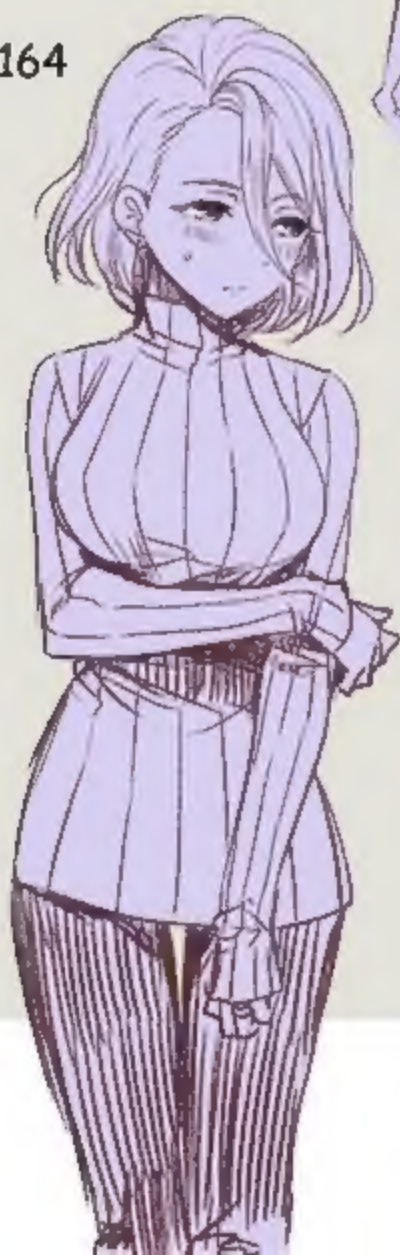

Sharp-eyed

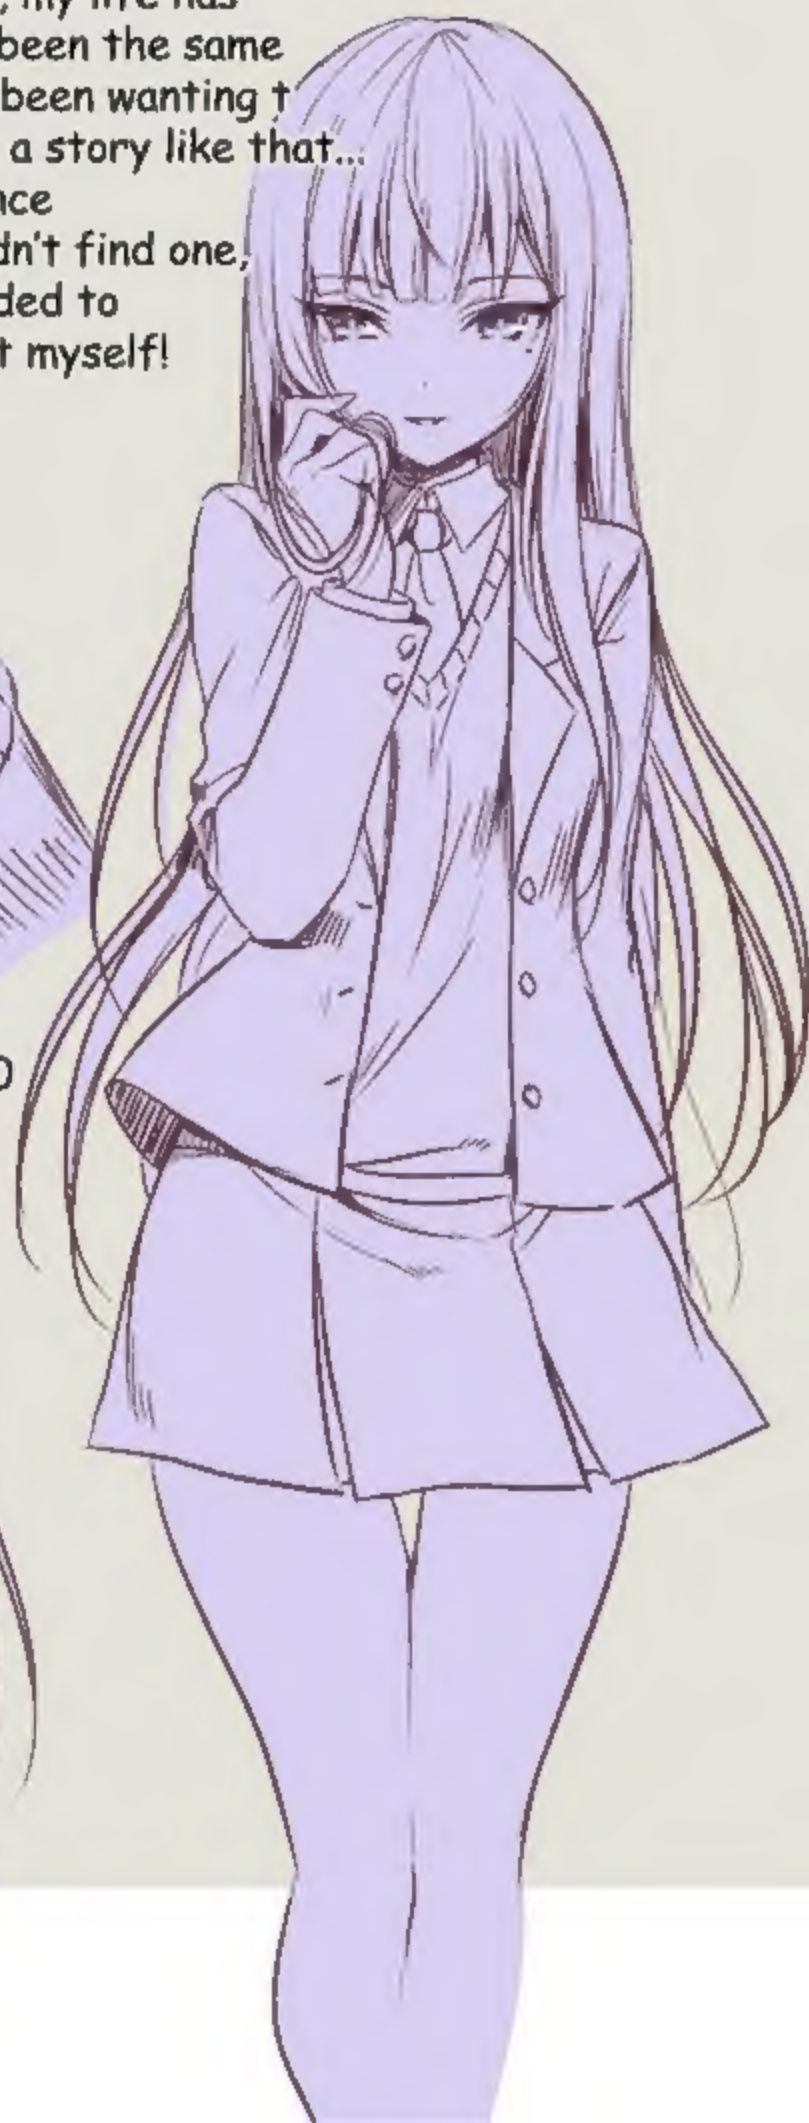

"I thought this regular sort of happiness would last forever. But ever since the fateful day I met that girl, my daughter's friend, my life has never been the same." I've been wanting to read a story like that... but since I couldn't find one, I decided to draw it myself!

► A gullible housewife. She's a good wife to her husband and a caring mother to her daughter. She's even popular around the neighborhood.

That must be it. My maternal instincts are telling me not to leave her alone...

Huh?

Hey.
You just
thought
something
weird,
didn't you?

Look

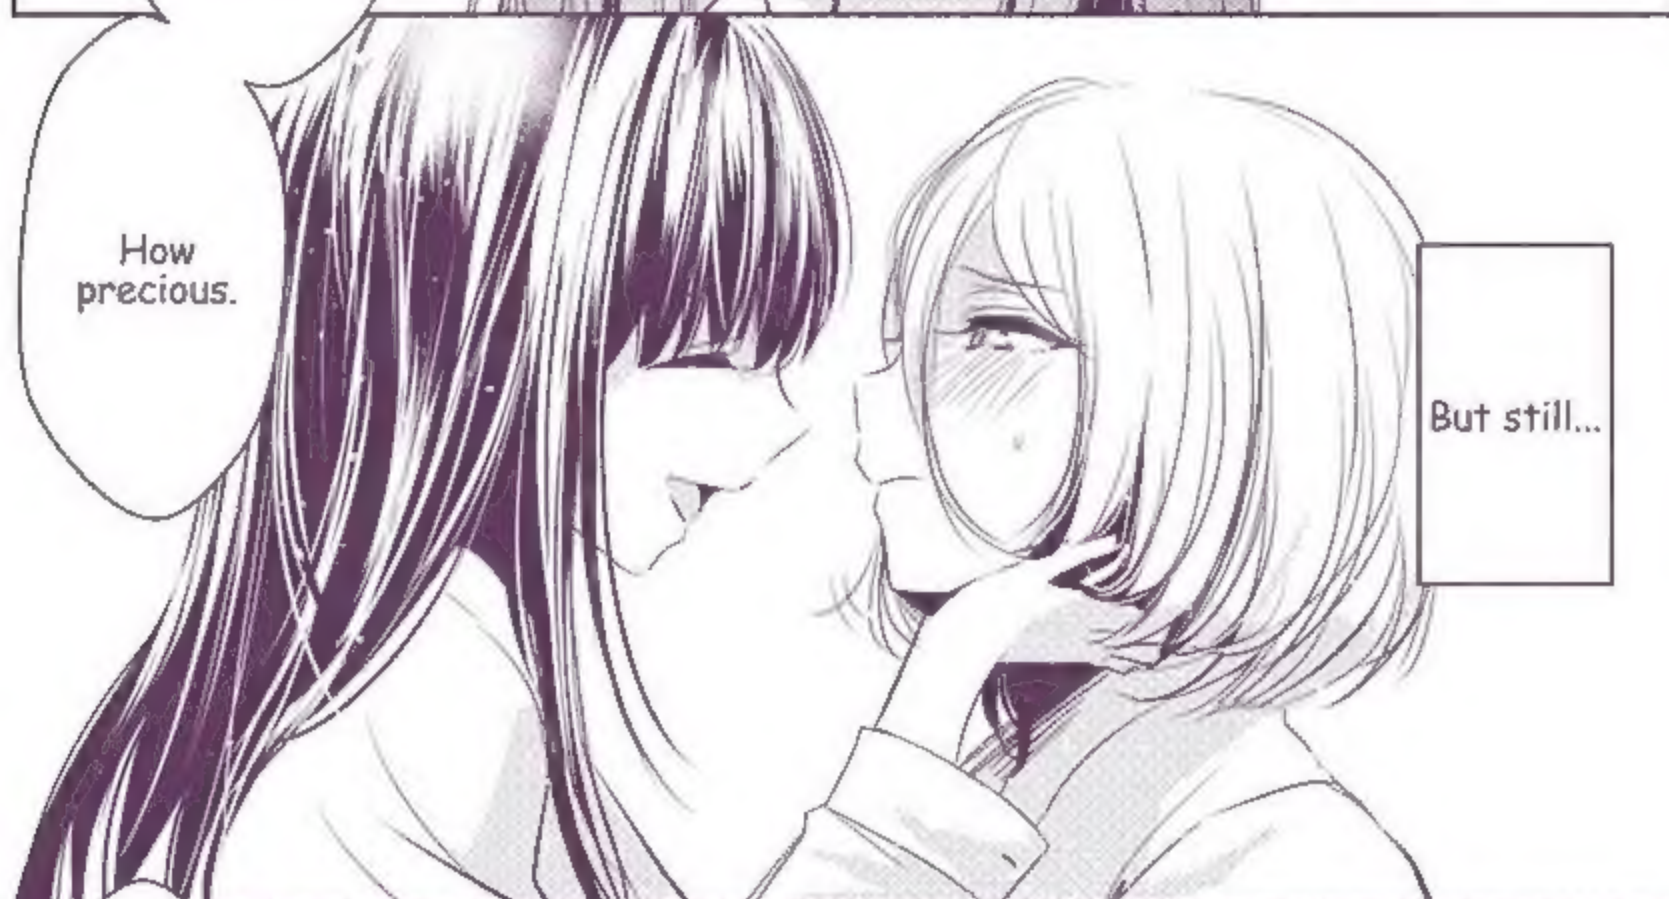

But
a normal
mother
wouldn't be
doing things
like this,
right?

My, my.
You're
so cute
when
you get
startled.

Ugh...

I'm
making up
excuses
again.

How
precious.

But still...

Show me
more

Still...
the fact that
I'm a terrible
mother
won't change

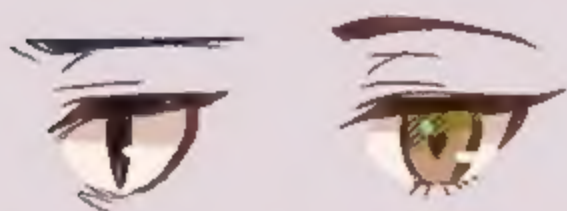

► She may appear uncouth, but she's a good person. She's had a healthy relationship with her son since elementary school and she still goes home often to help him study.

► She claimed her husband was away on a business trip... but that was a lie. They separated over a difference in academic standards. She wanted their son to succeed in school, and she did her best to help him, yet his grades kept slipping...

▲A good boy

Why do you
always
distract
him
like this?
This is
a crucial
time
for my son!

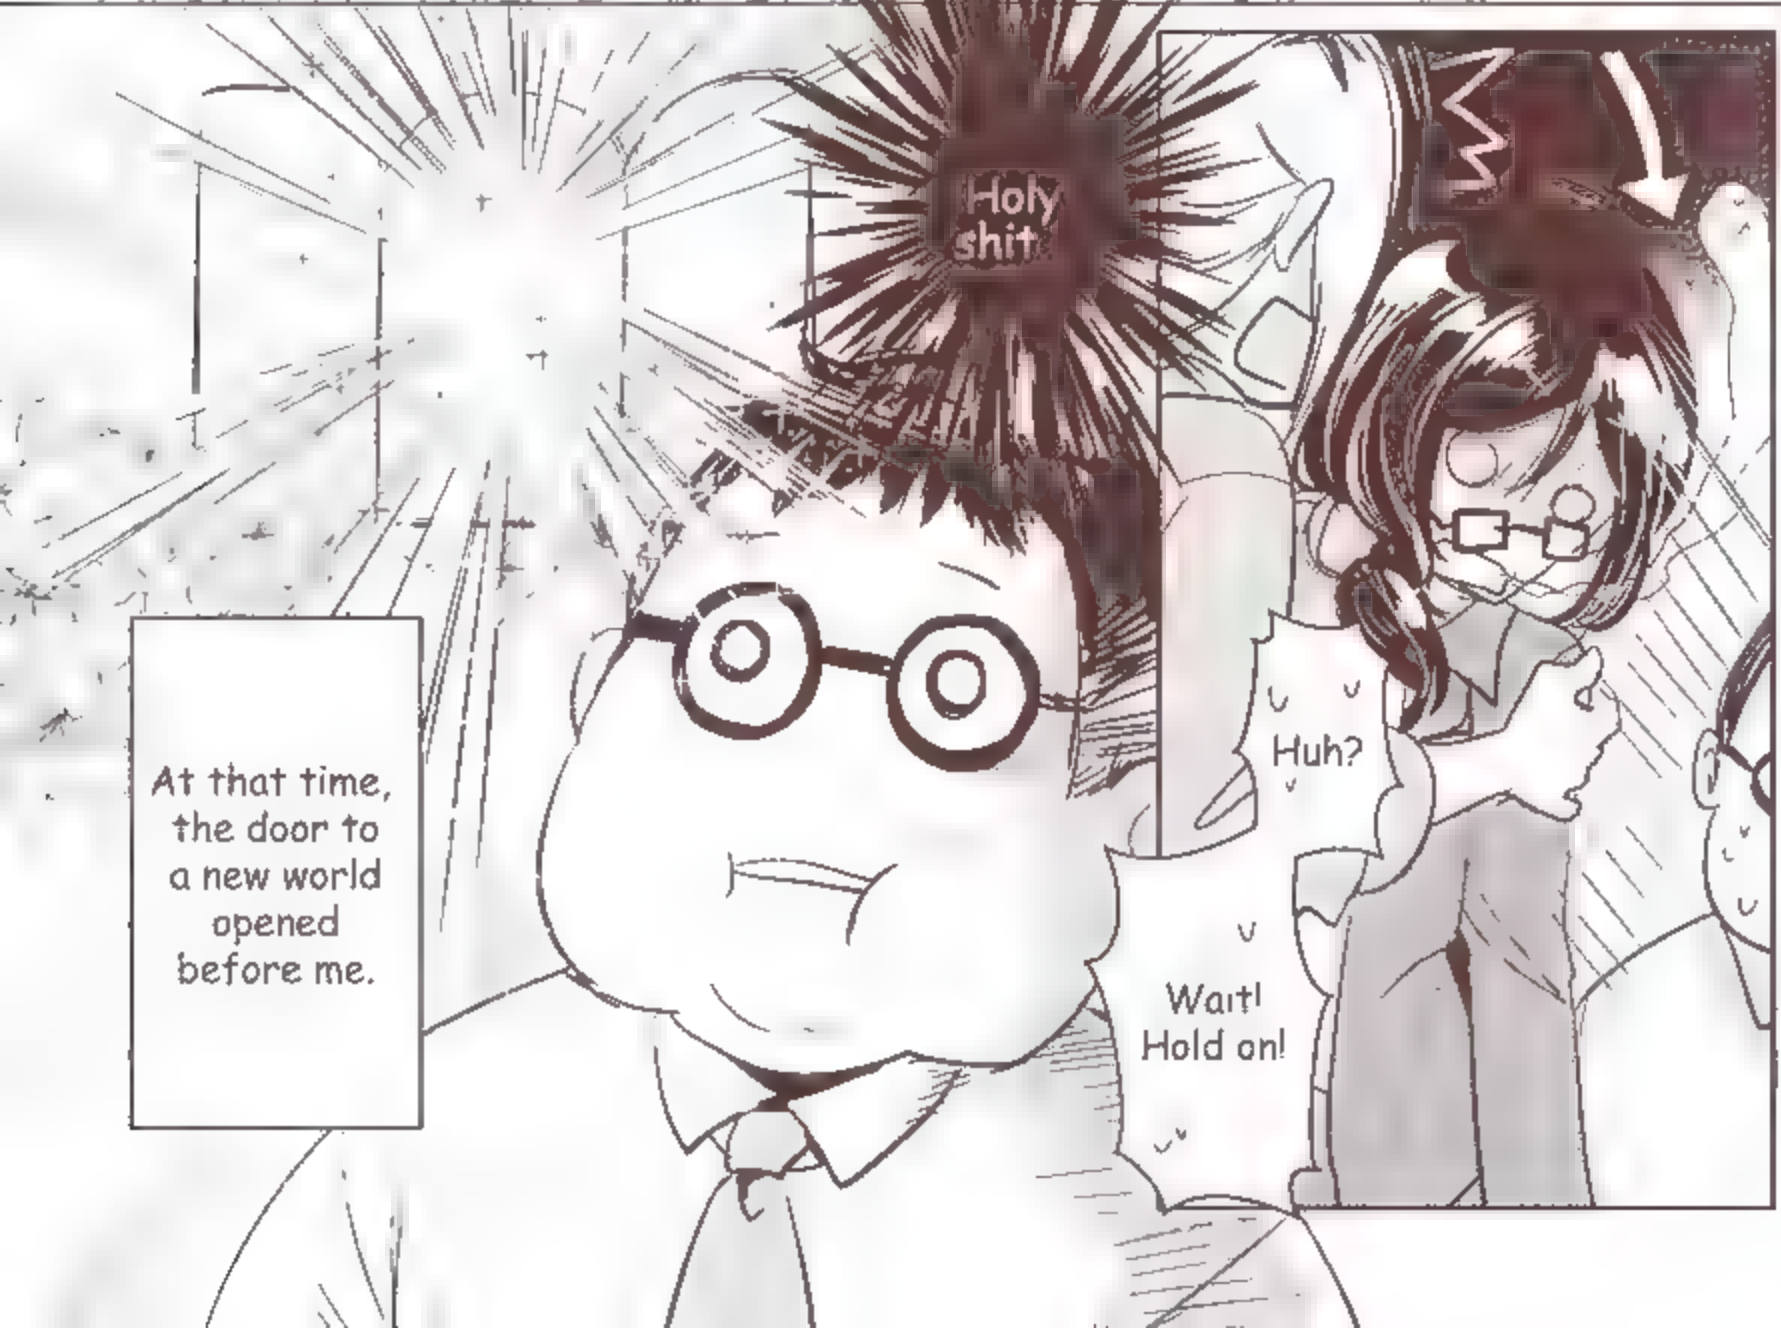

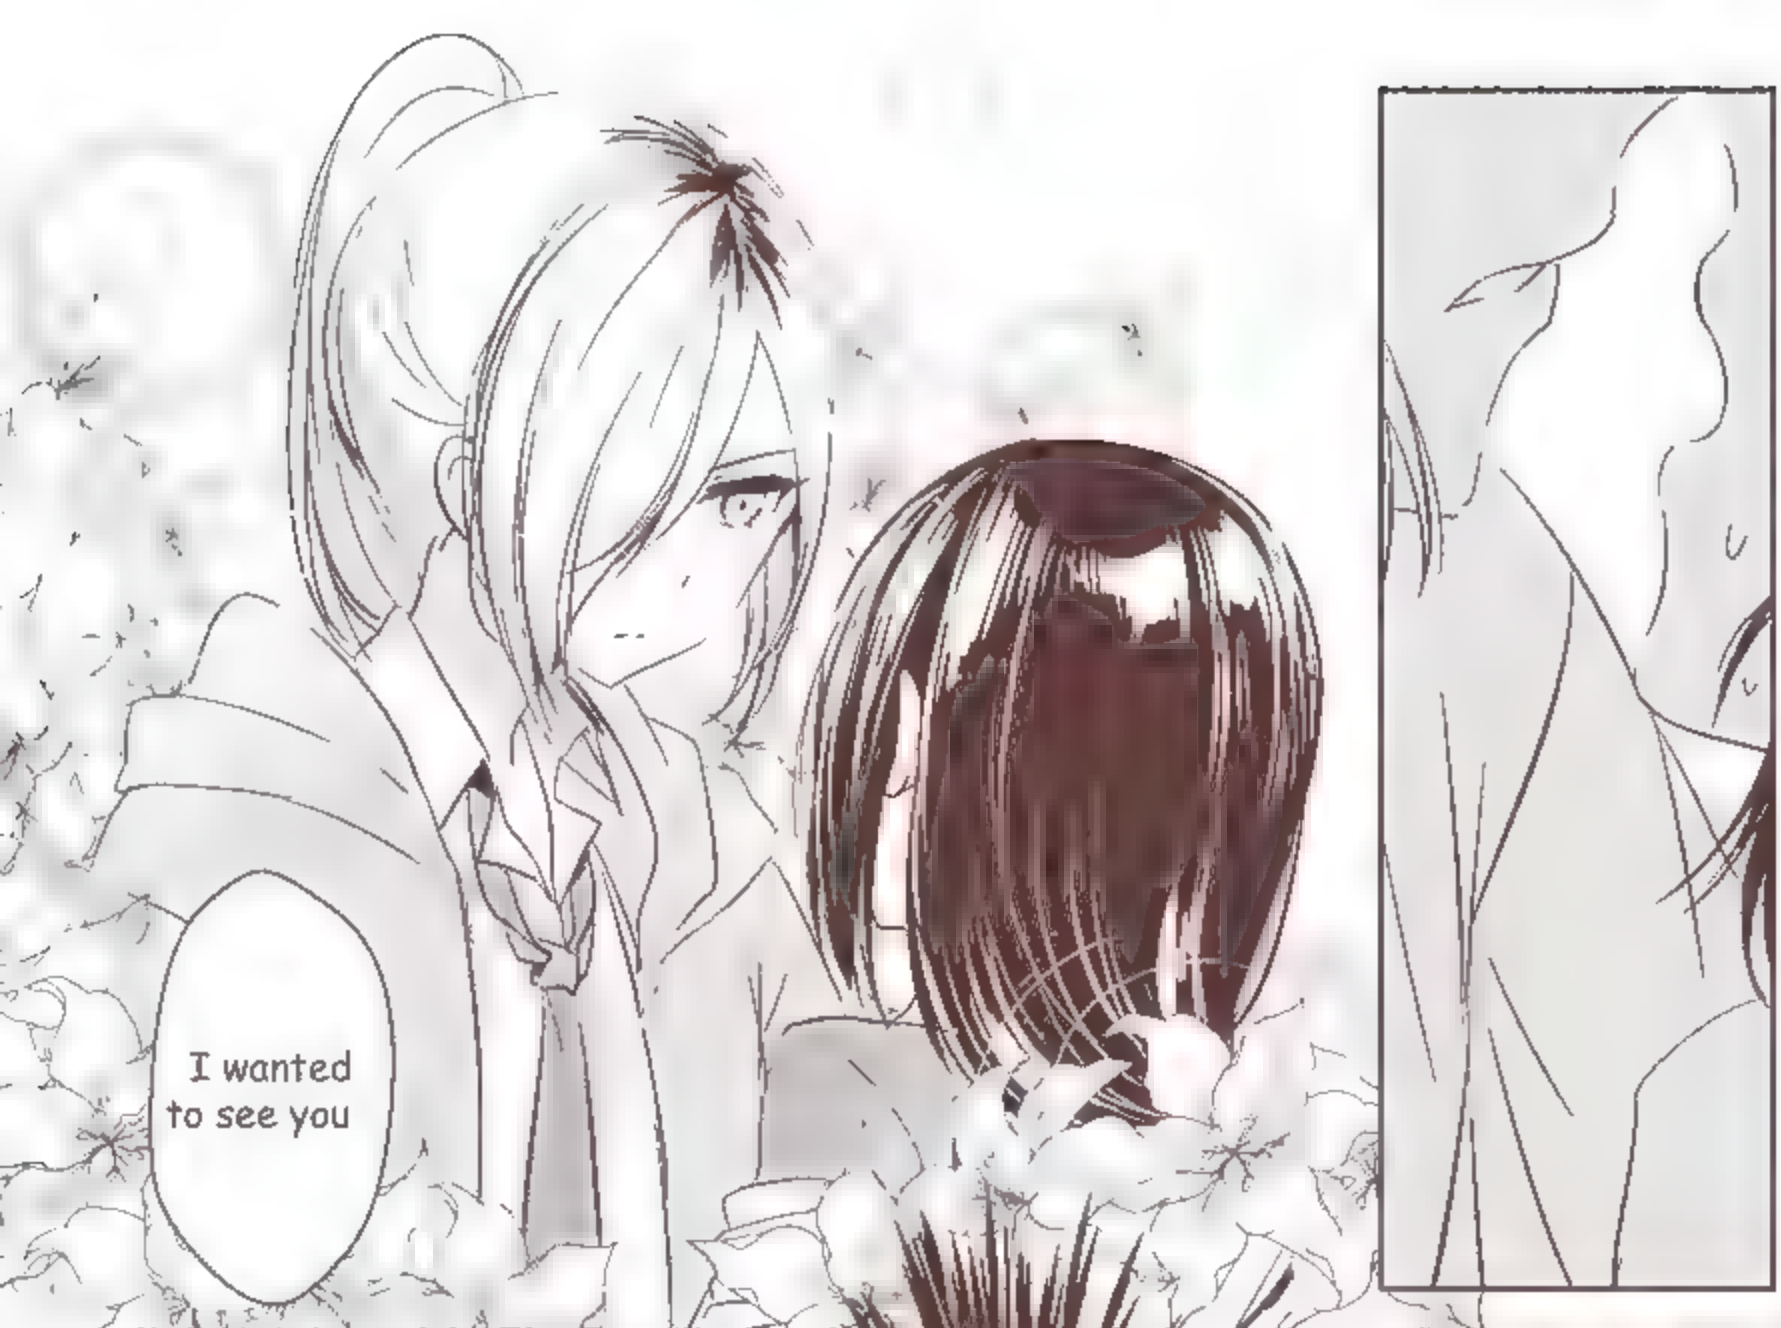

I never liked
you from
the beginning,
anyway.

Ever since
you got here,
my son's
grades have
been failing!

Mom!

She's so skinny!
I just want to feed her.

142

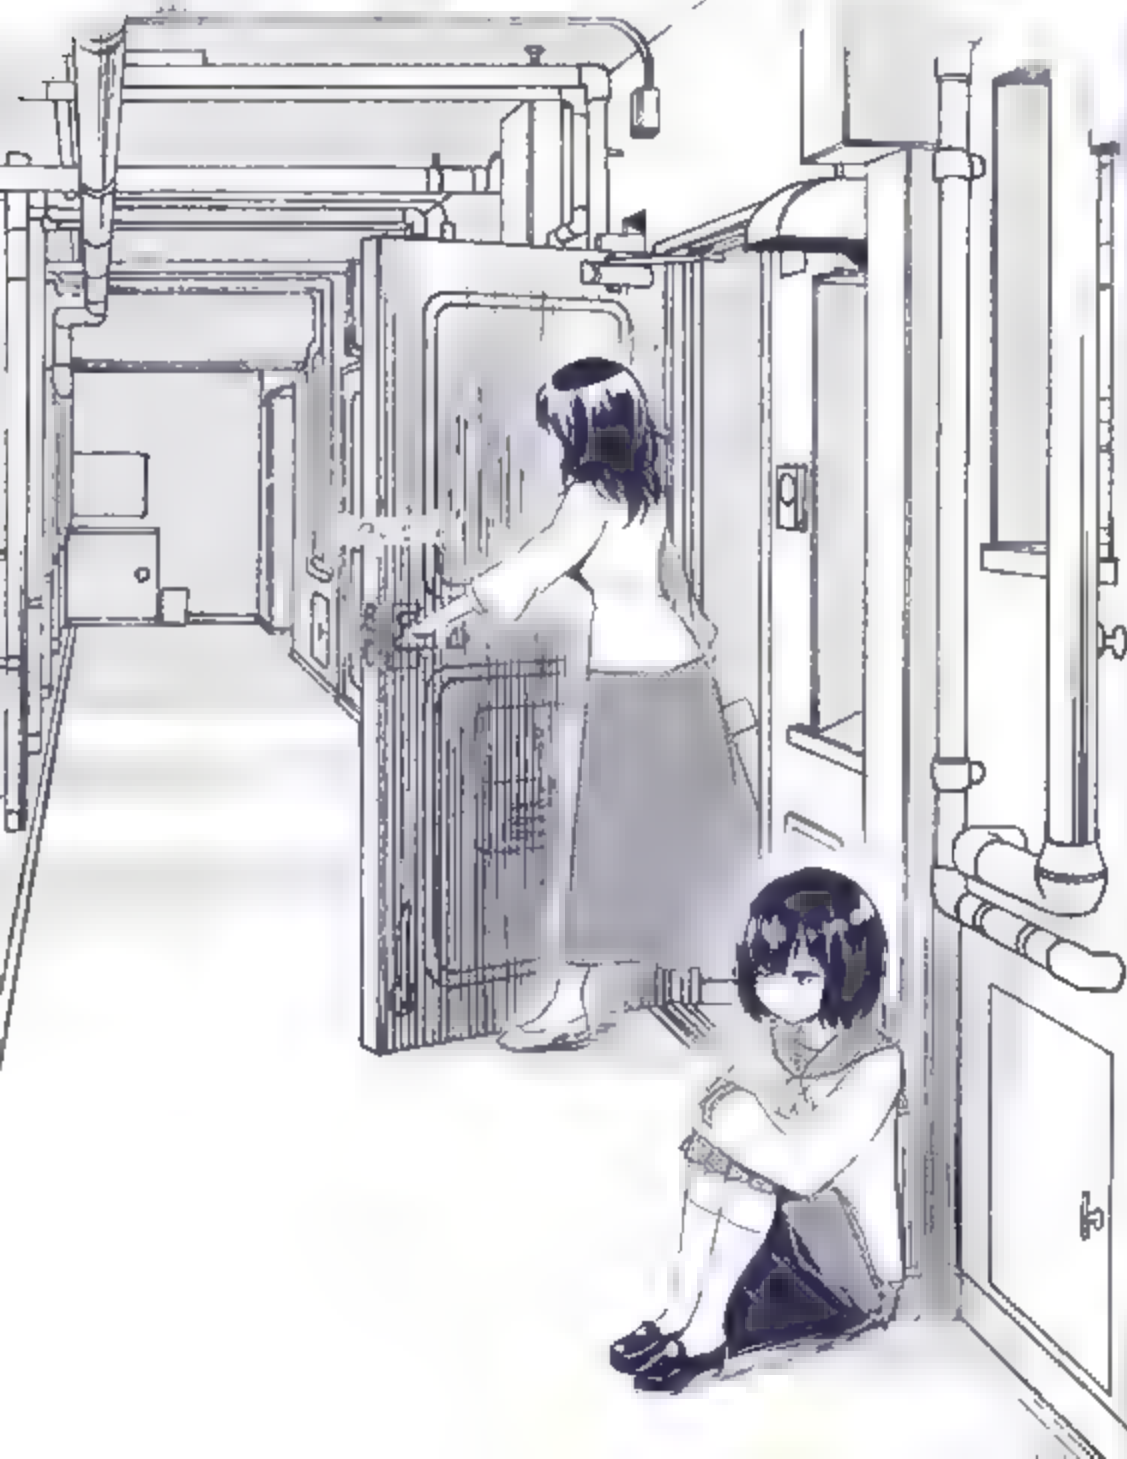

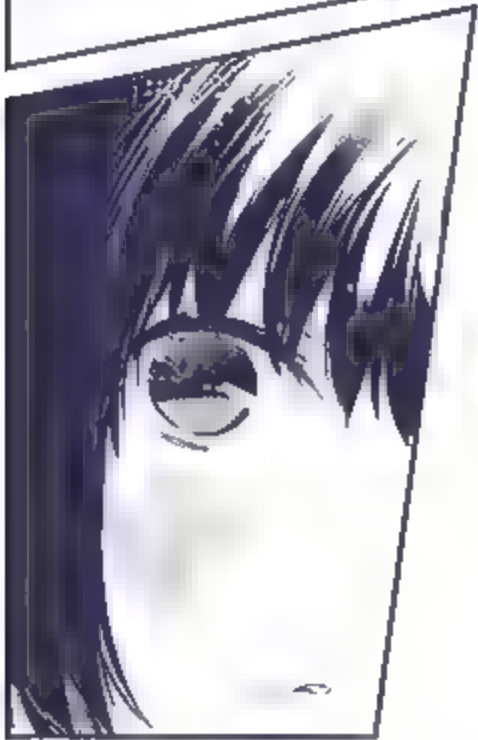

I know she wants
to shorten that
ugly skirt.
And I found out
why she's always
wearing
long sleeves...

She's a writer
and housewife.
She has no children.
Her husband is
always busy and
rarely at home.
(They don't get along
badly, though)
She enjoys a good hit of
Malboro Ice Blast Mega 5.

Sigh

Rumbling

I just made eye contact with her. Should I try to help her? But what could I possibly do...?

Was she thrown out? Domestic abuse...?

Hey,
you wanna
come over
to my place
to eat?
I made
too much
curry
earlier.

Phew

...Sure.

どろろの狼僕

I have a childhood friend

Welcome back.

I'm home

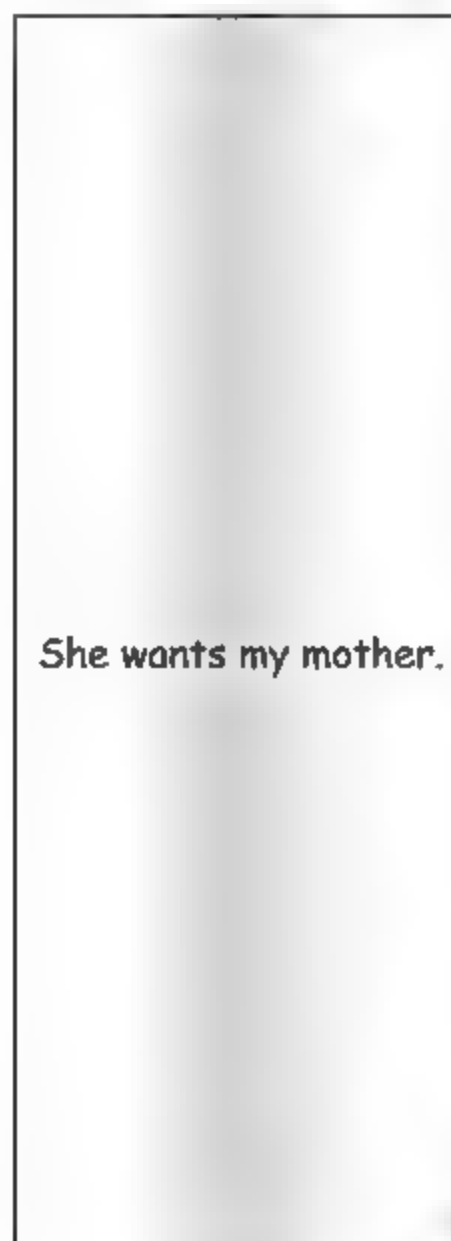

The reason she goes to and from school with a guy like me is...

Excuse me.

You came again? He has cram school today, you know?

(upset) ツ

My childhood friend loves my mother

Everything.

That
doesn't
tell me
anything.

What do
you like
about
my mother?

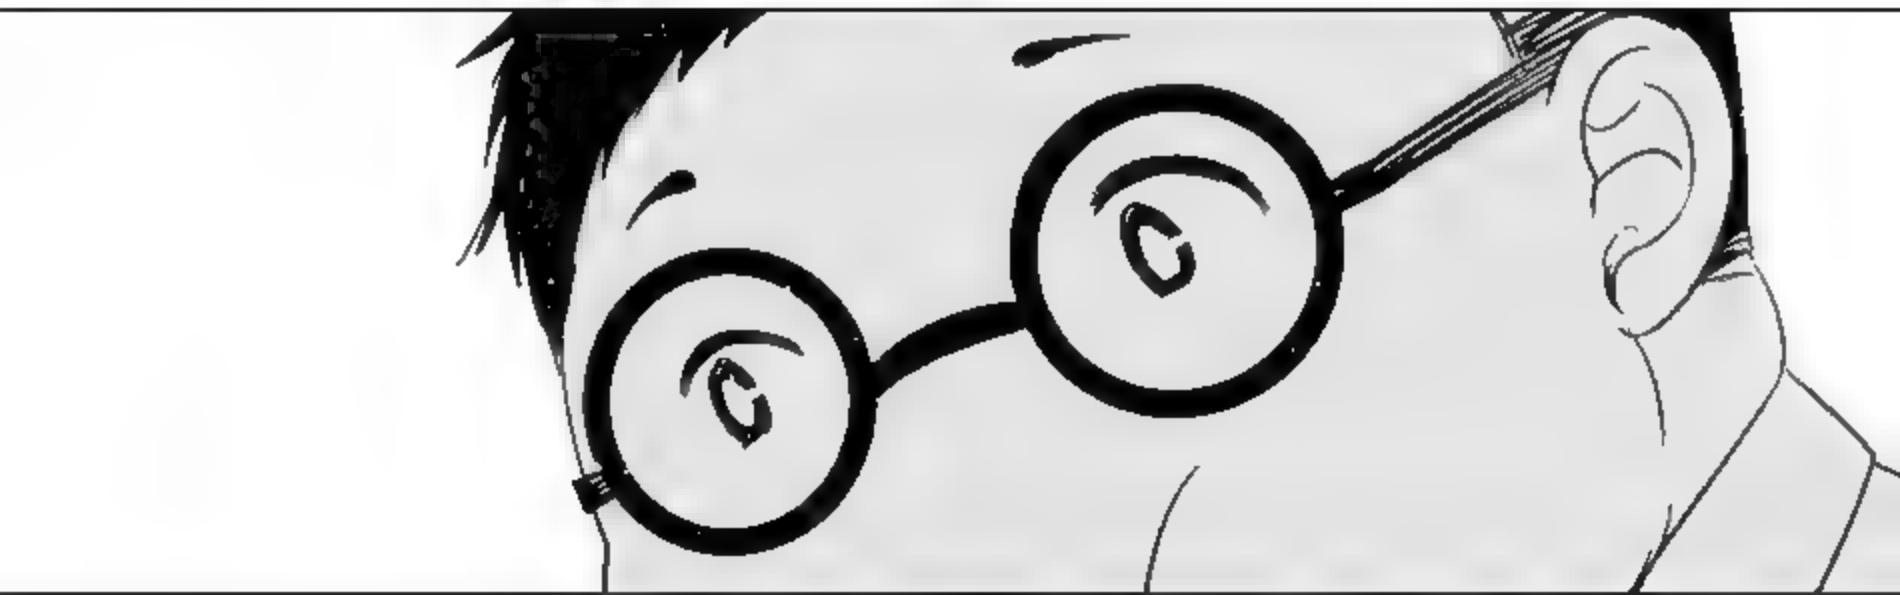

Then it
doesn't
matter
what
I tell you.

I don't
get how
you can't
see how
attractive
she is.

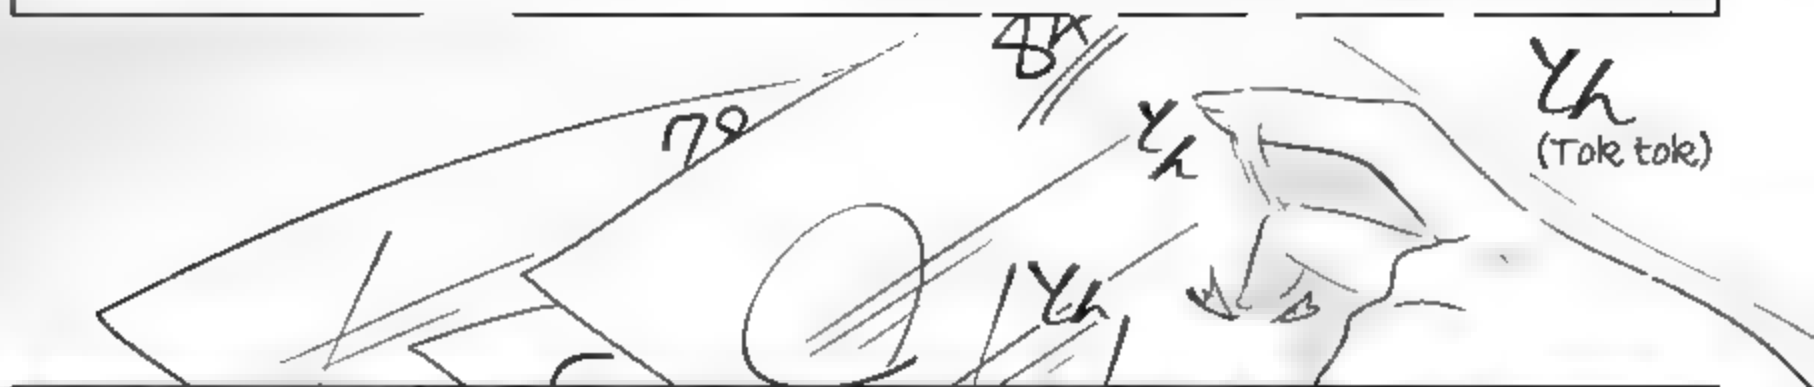

She's
my mother!
How would
I get that?

She's always looks happy whenever she talks about my mother.

So I thought she only liked my mother normally

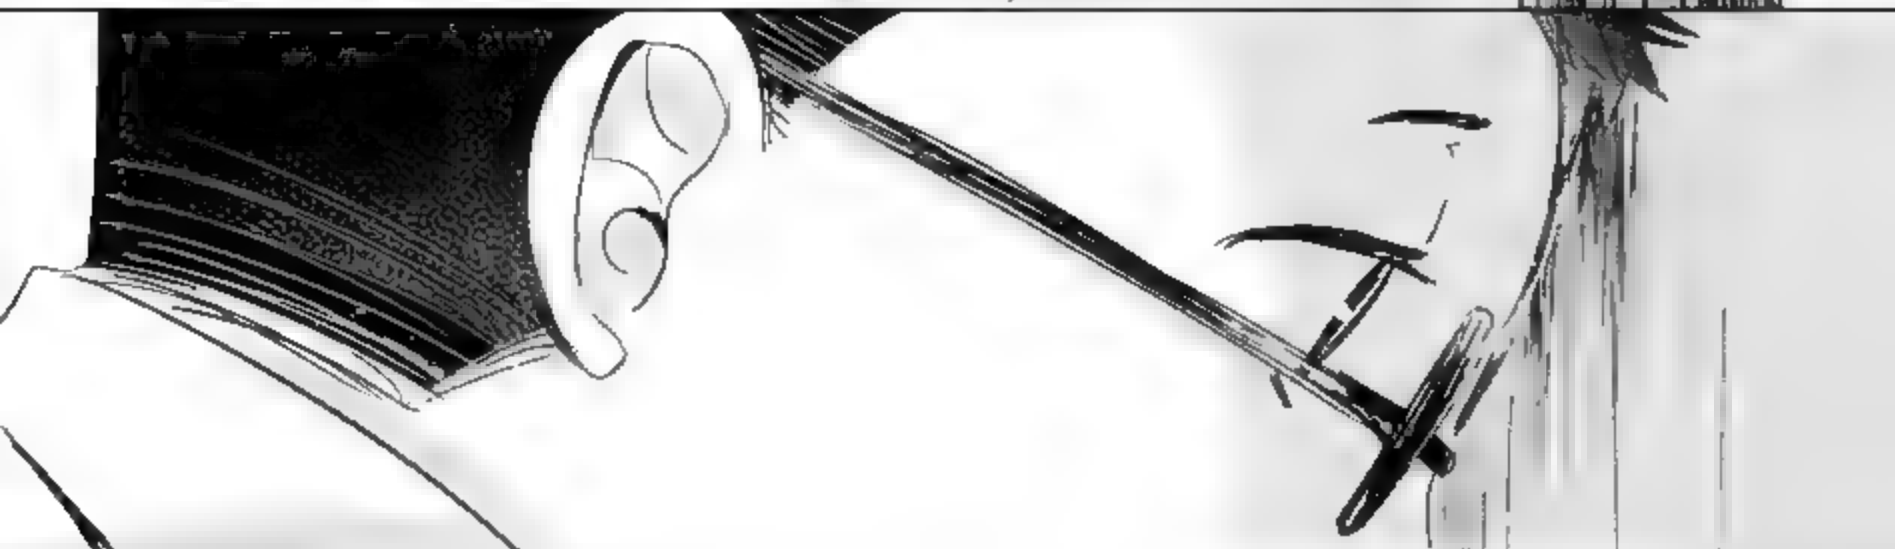

She .

Likes you!!!

Looking at her face,
I realized it was that of a person that's fallen in love.

My father and mother have always been fighting.
I've never seen them happy.

Well,
I actually
wouldn't
mind.

We're
best
friends,
I'd be
fine if
you wanted
to do that.

Did she say we're best friends...?

Well,
I won't
deny that.

You get
along
with me

to get
close to
my mother,
right?

What's it like to fall in love with someone?

It's a mystery.

(slap)

Mom!
You're
wrong...
Listen
to me!

My son's
grades
are getting
lower
because
of you!

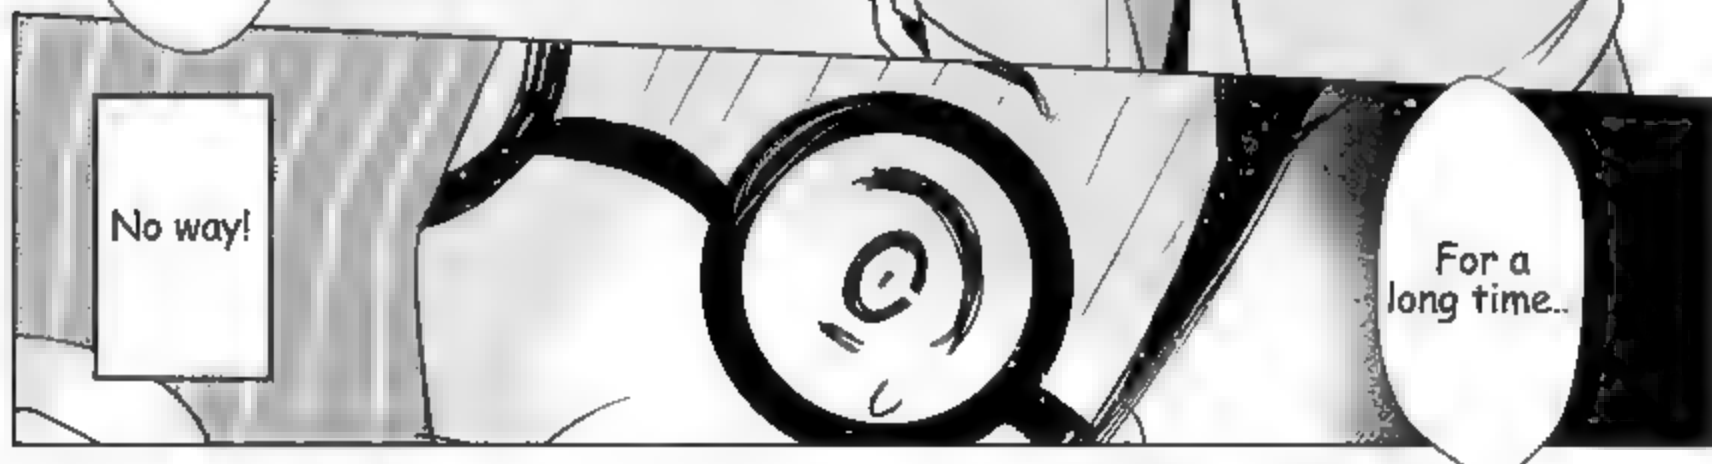

Why are you
here again?
Take some
responsibility!

Are you
talking back
to me?
How rude!

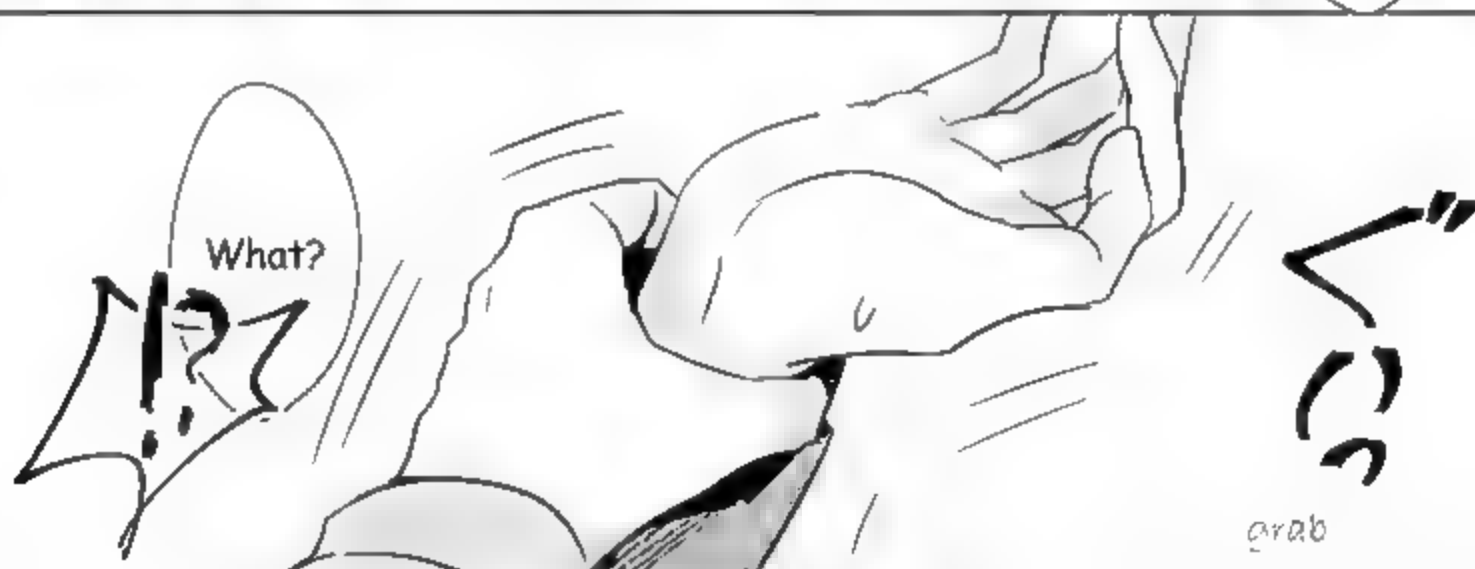

That's
not true

No way!

For a
long time...

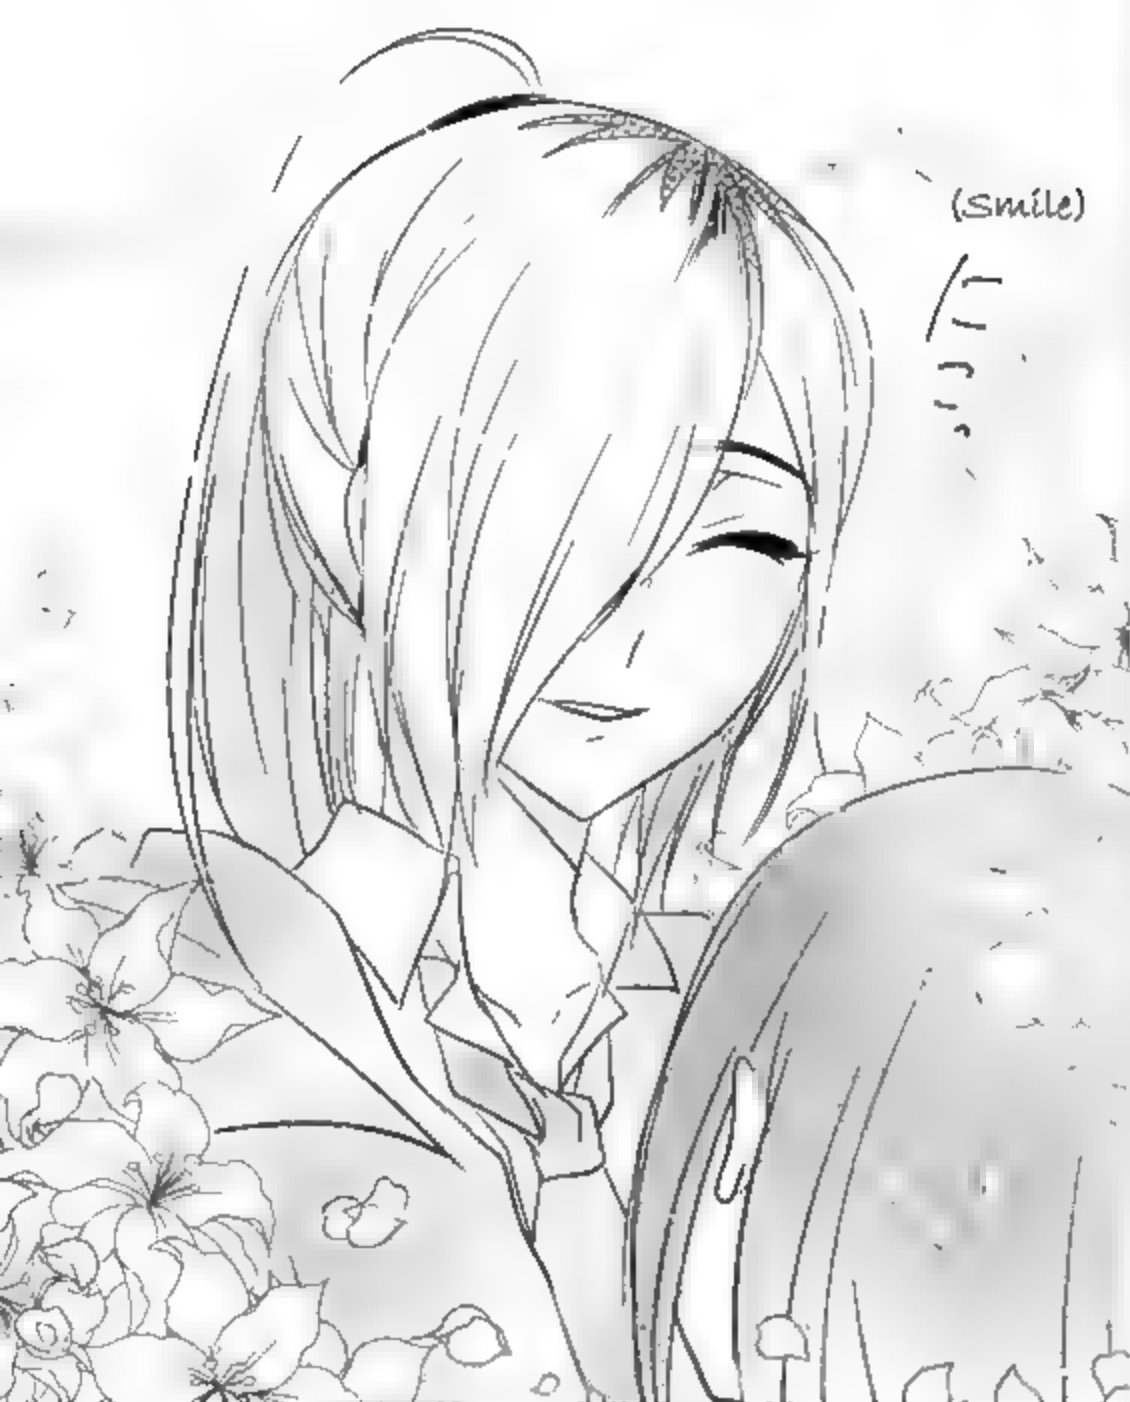

What?

(Smile)

Frozen
in shock

Ahh

I now realize,
when someone falls in love...

Keep it
together!

(Gasp)

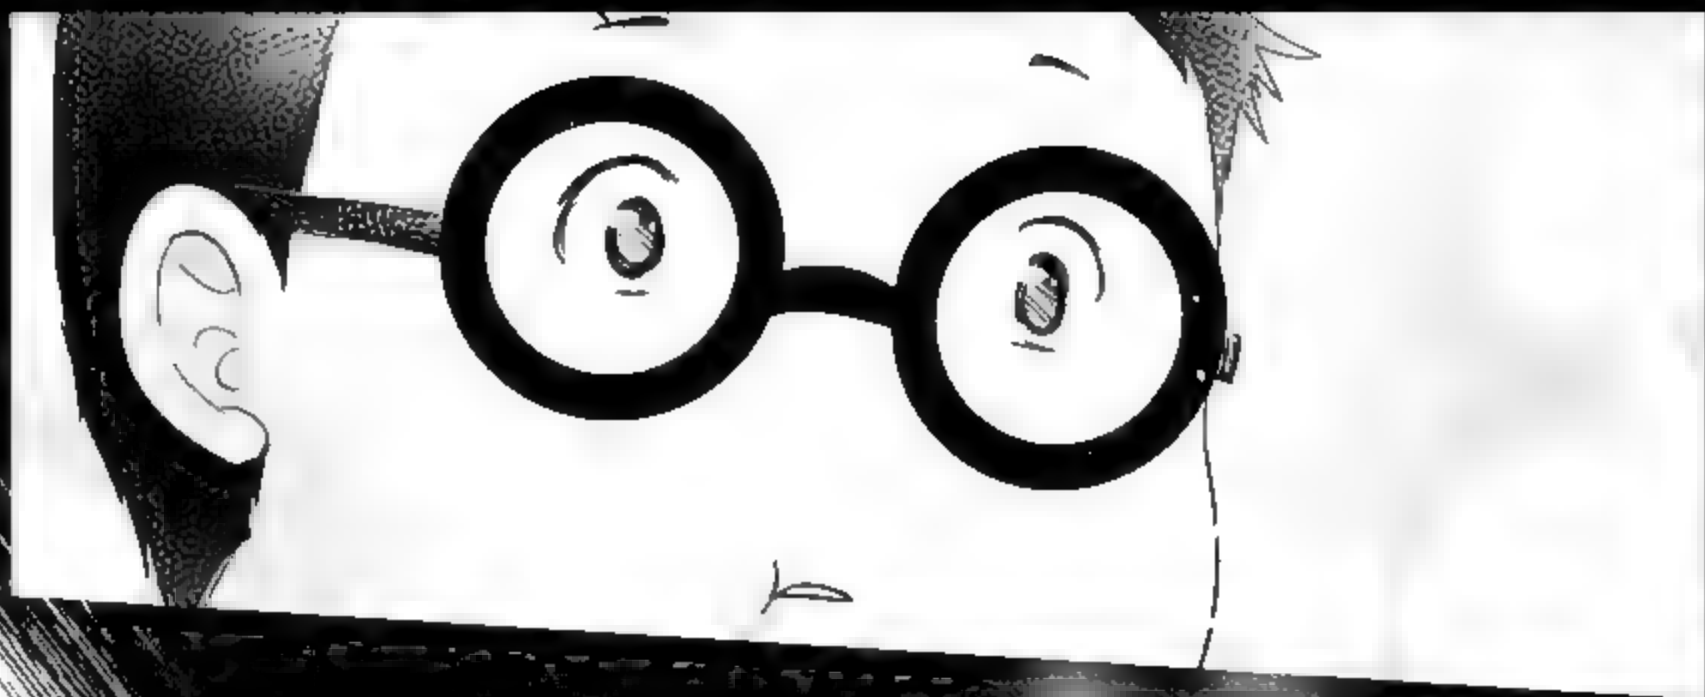

M...
Mother!

They become a little weird in the head.

Even
that time

I don't care

You're a bother!

I told you not to come here!

Yawn

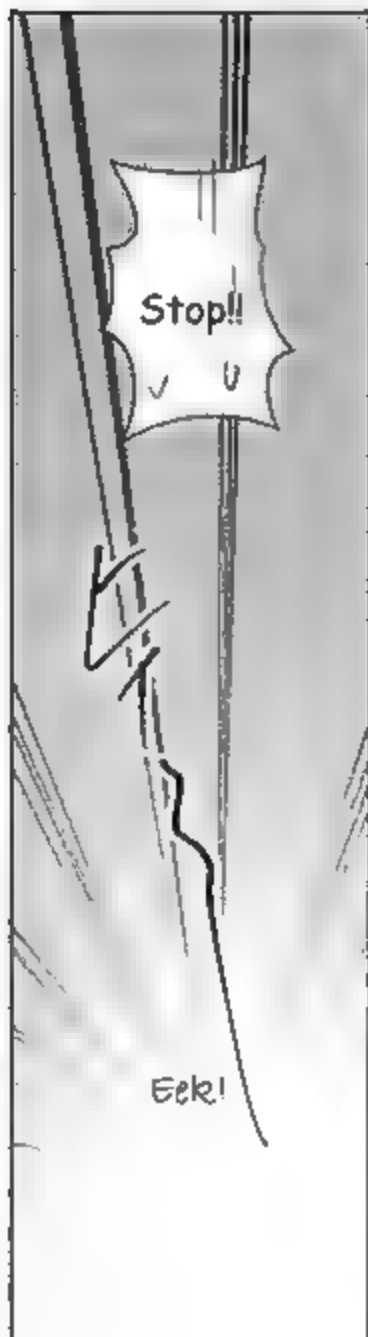

(scratching)

Oh

Oh, you are here. Good morning

But it's probably something that will always make her weird in the head.

That's the feeling I get...

Phew

Was she thrown out of her house?

Hi

I made
too much
curry.
Would you
like to eat
at my place?

Yes...

Excuse
me

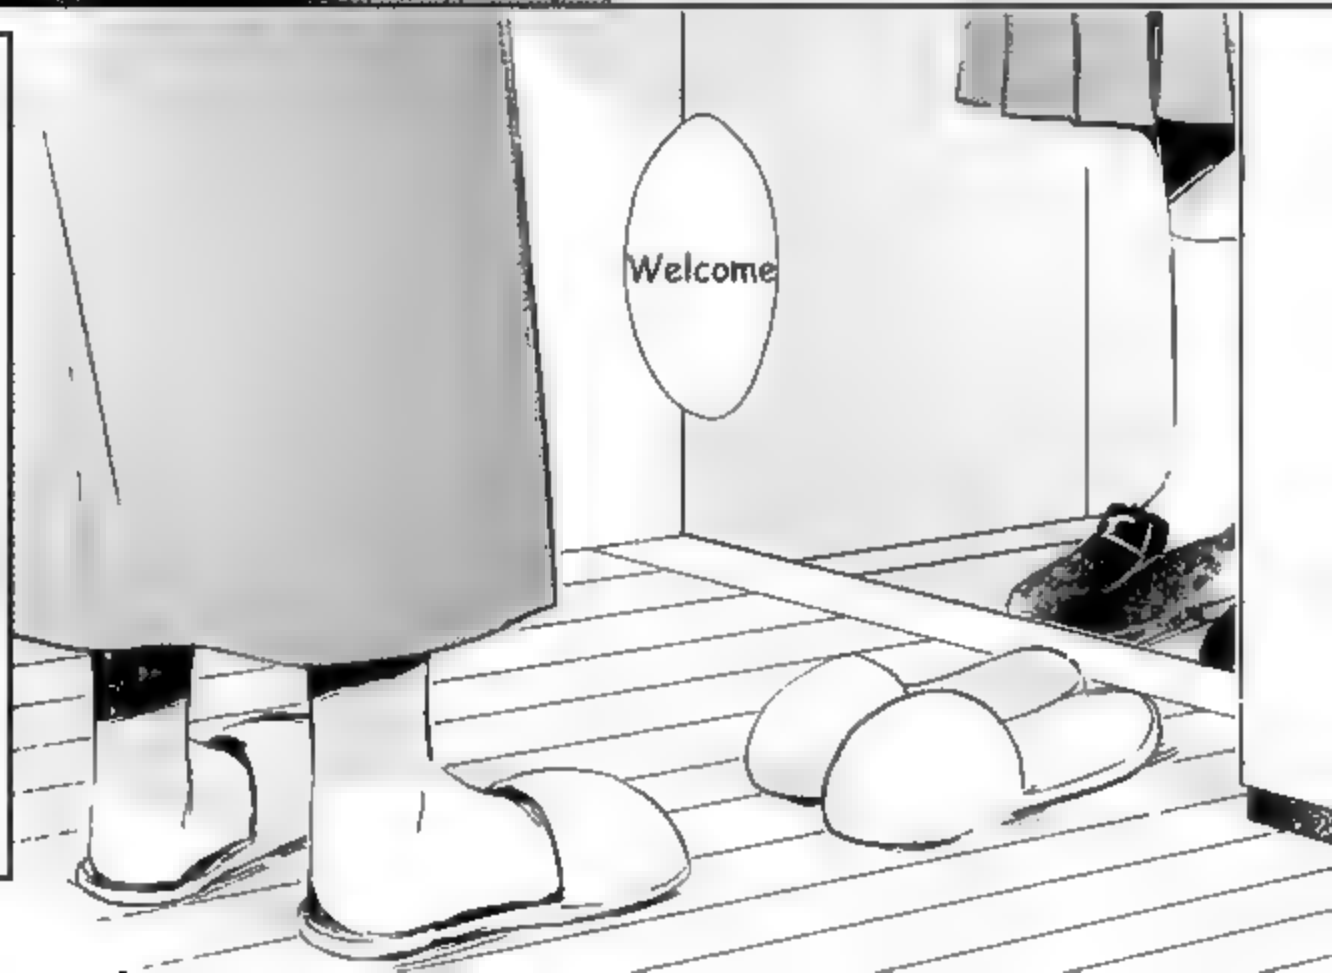

I make
a bit
too much
curry on
the days
she
comes
over.

It's
become
a part
of
my daily
life.

Welcome

My husband barely comes home and she's not much of a hassle to cook for.

The days I decorated the table with spoons and sihes for two and placemats with cute patterns slowly increased.

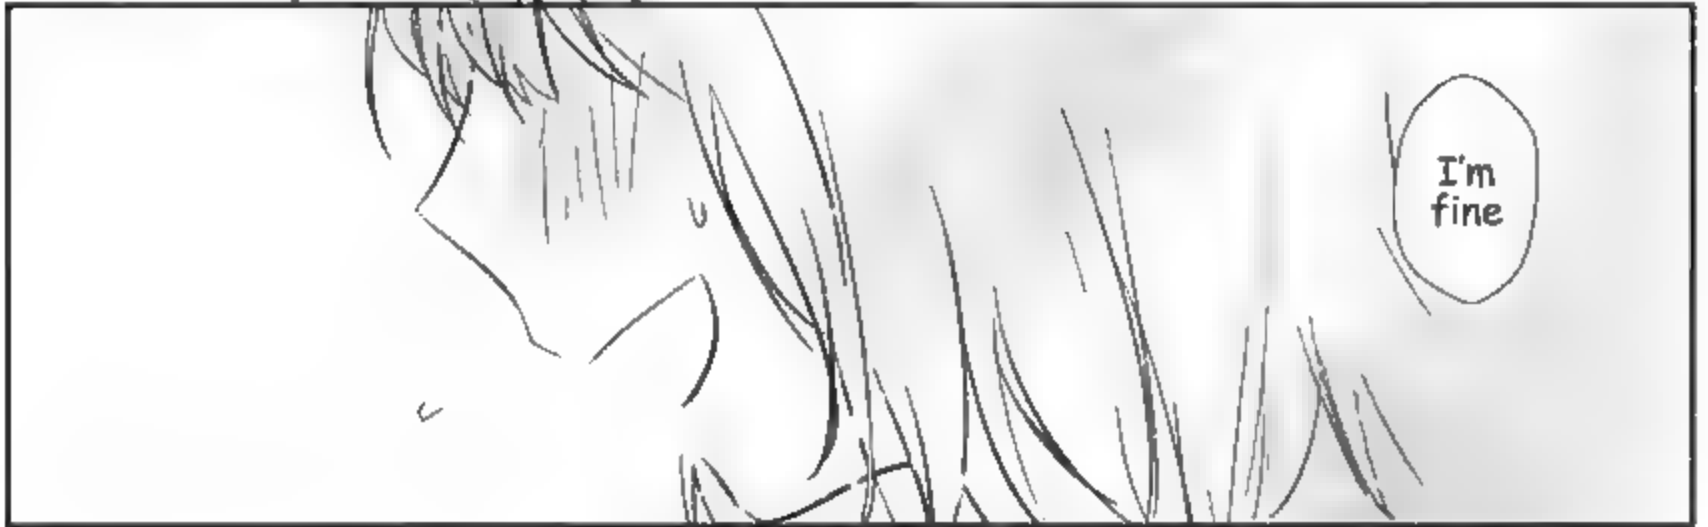

Be sure to eat lots. You're too skinny.

Thank you...

Yes! Very good

That
time

(Splash)

I should
have
realized
it

...

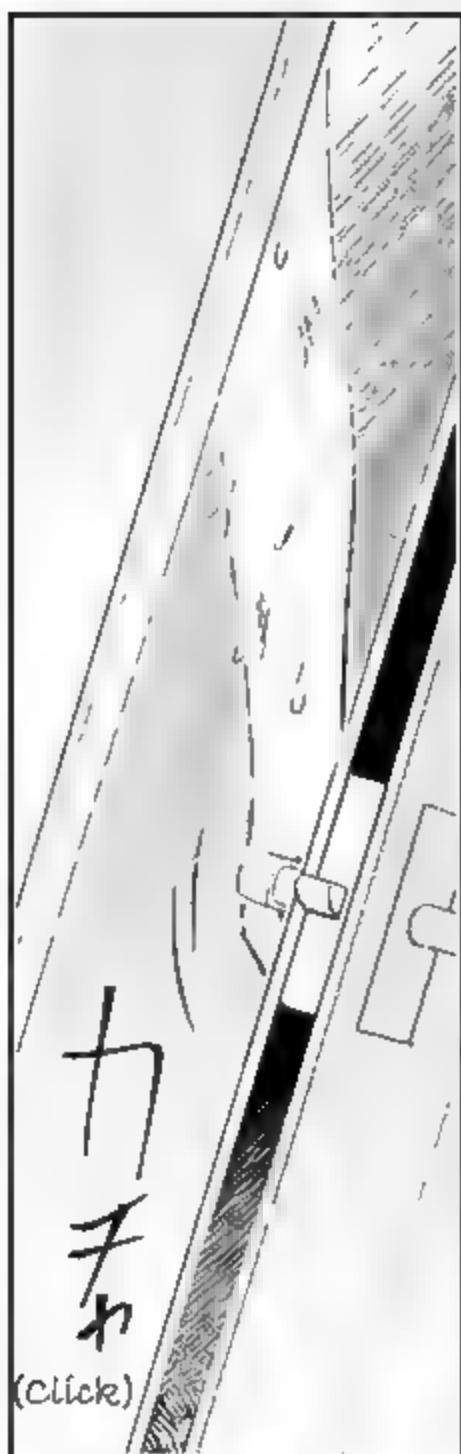

Don't worry about that. You may catch a cold!

I'll bring you a towel.

You're soaked.

Sorry I'm making floor wet

Wear this.
I put
your
underwear
and uniform
in the
washing
machine

I'll
leave
your
towel
here.

Umm...

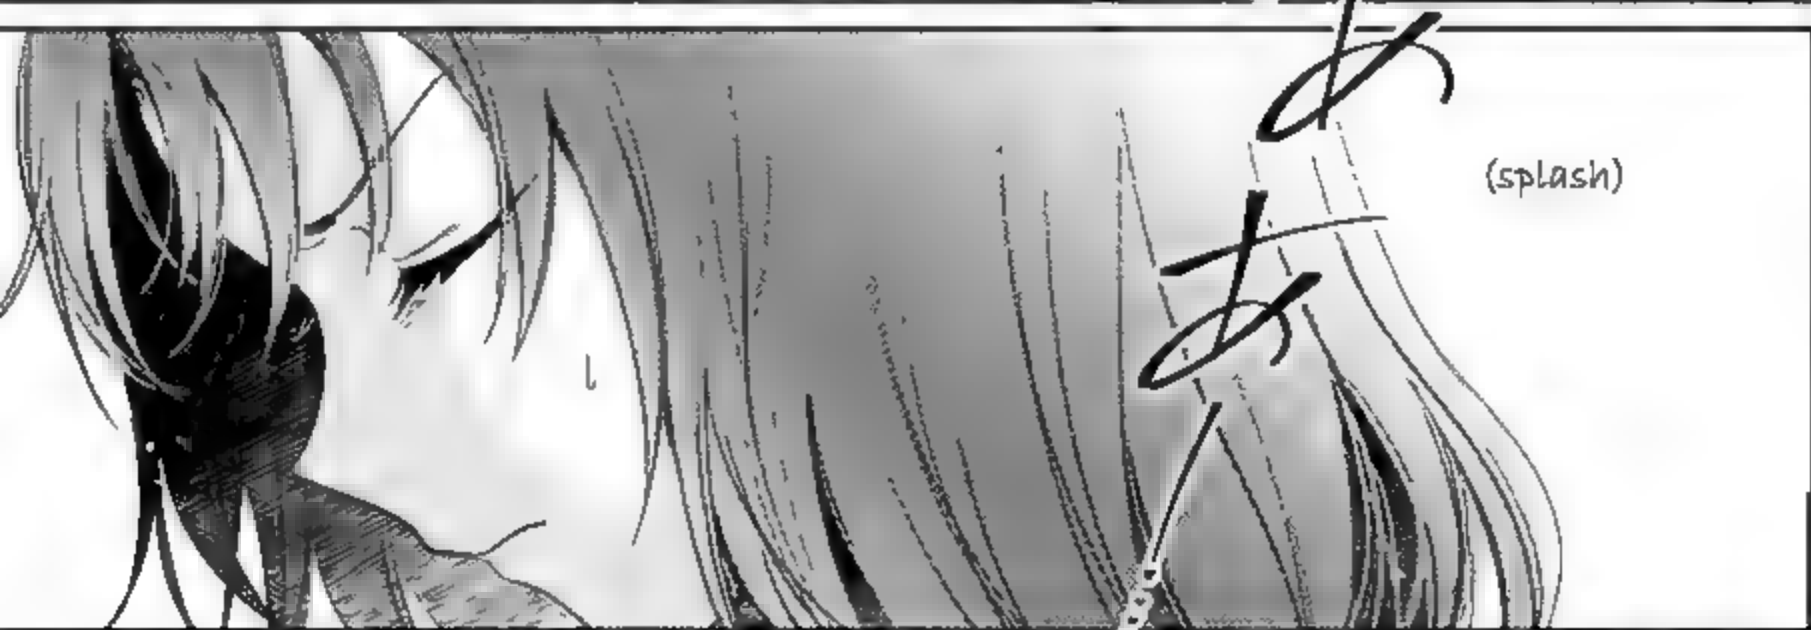

I always miss the chance to say .

Thank you

I should stop
thinking the worst...

It wouldn't be good
to stick my nose in not
knowing everything.

I'm a stranger to her anyway

(Splash)

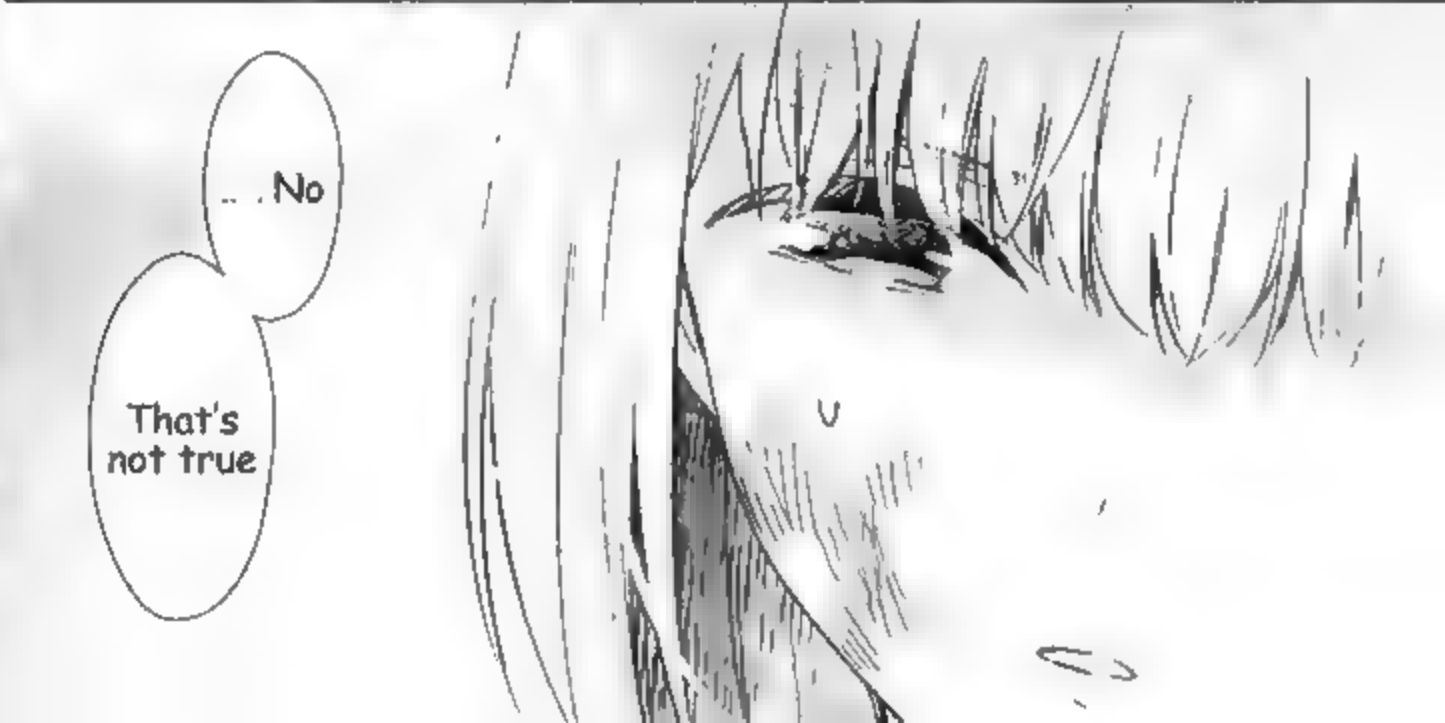

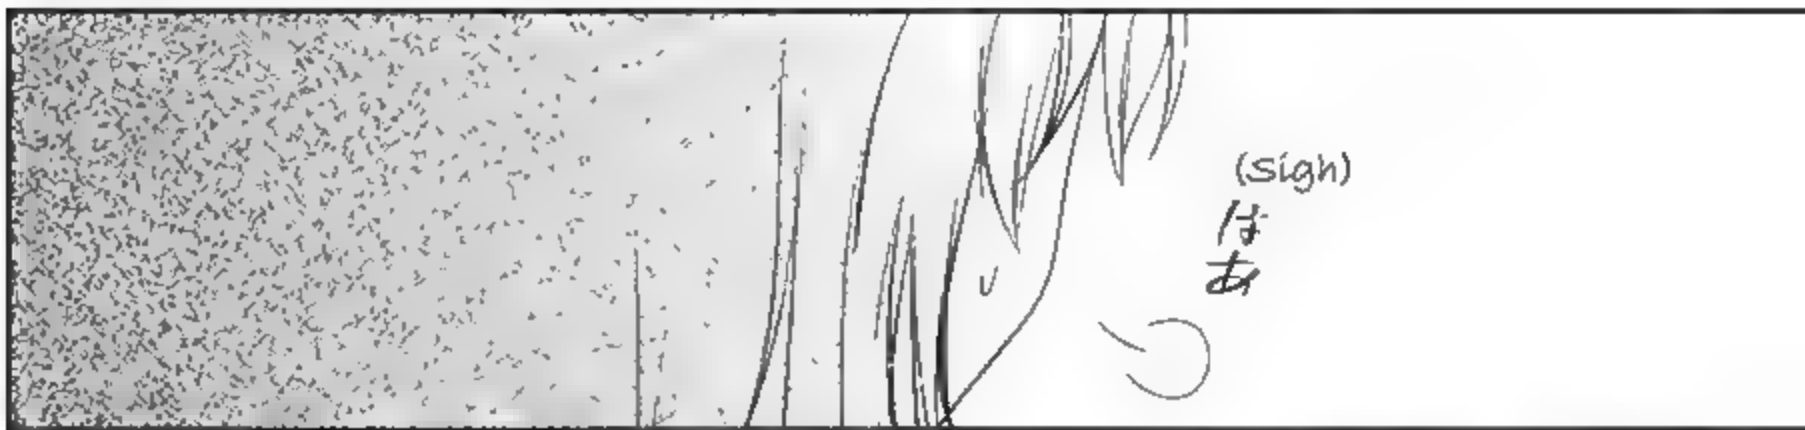

(sigh)

は
あ

Okay.

Okay,
if you
say so.

(snap)

.Thank
you

Why is she covering
for her father?

And why...

Why did
I hit her
just like
her father?

Before
I knew it,
jealousy
sprouted
inside me.

I just
didn't
realize at
the time.

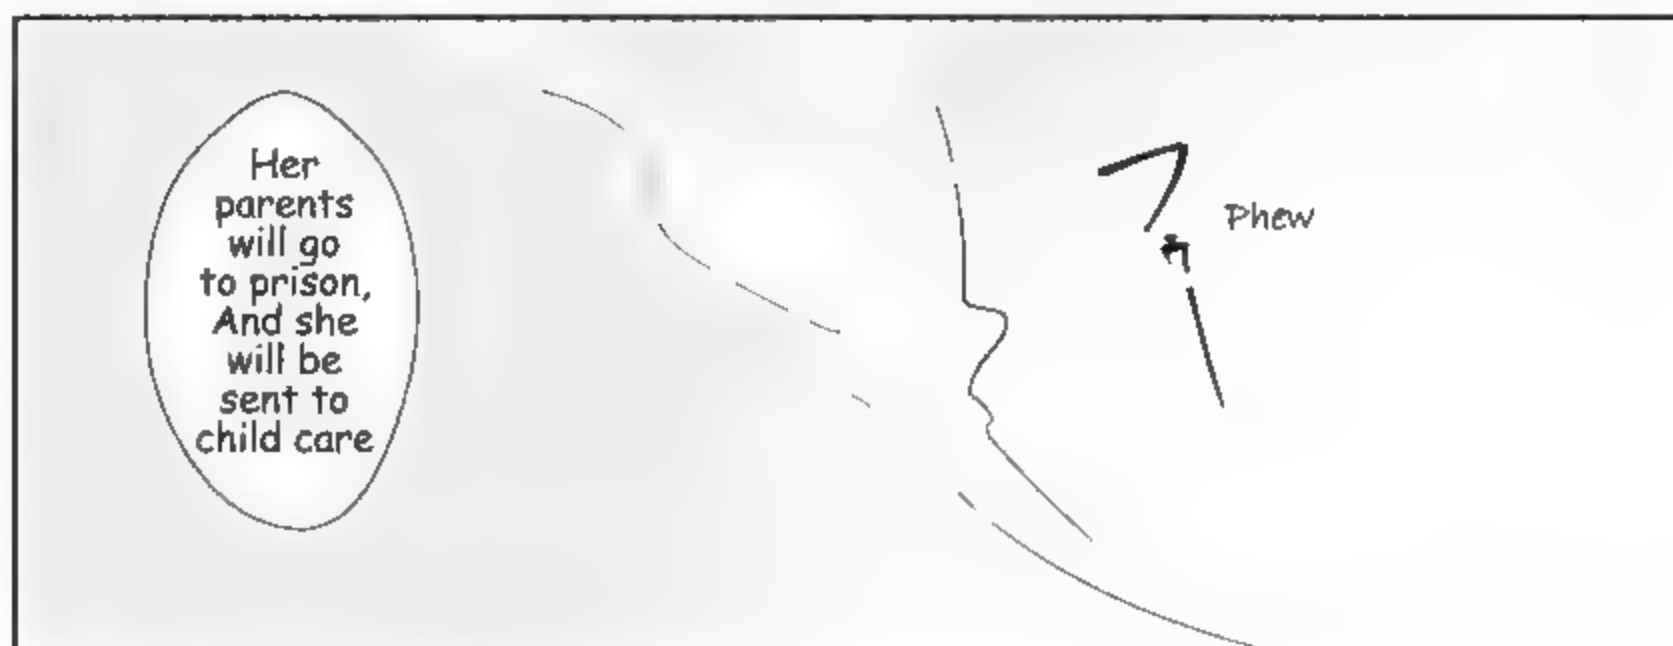

Yeah...

I think
you should
call
the police
for her

Well,
there are
laws against
child abuse.

If you
call
the police,
things
will go well

Her
parents
will go
to prison,
And she
will be
sent to
child care

Phew

If I call the police...

I won't
be able to
see
her again.

Then,
I should
not just
intervene ..

I can't
forget

those
cuts and
bruises
on
her body...

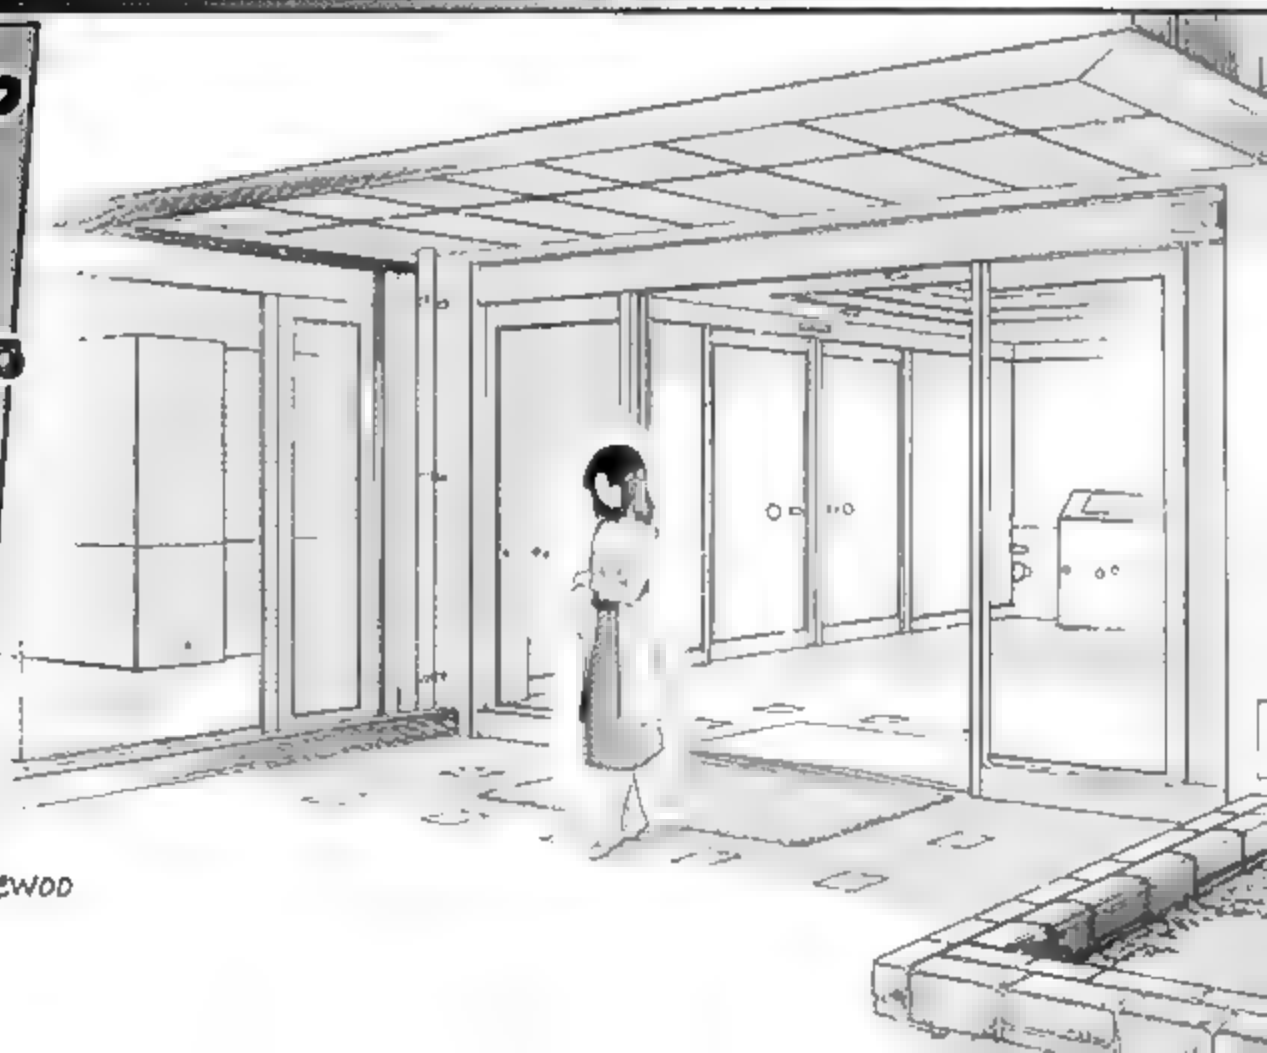

But...

It's
really
hard to
stop
smoking

weewoo weewoo

Cant judge
a book
by it's cover,
I guess...

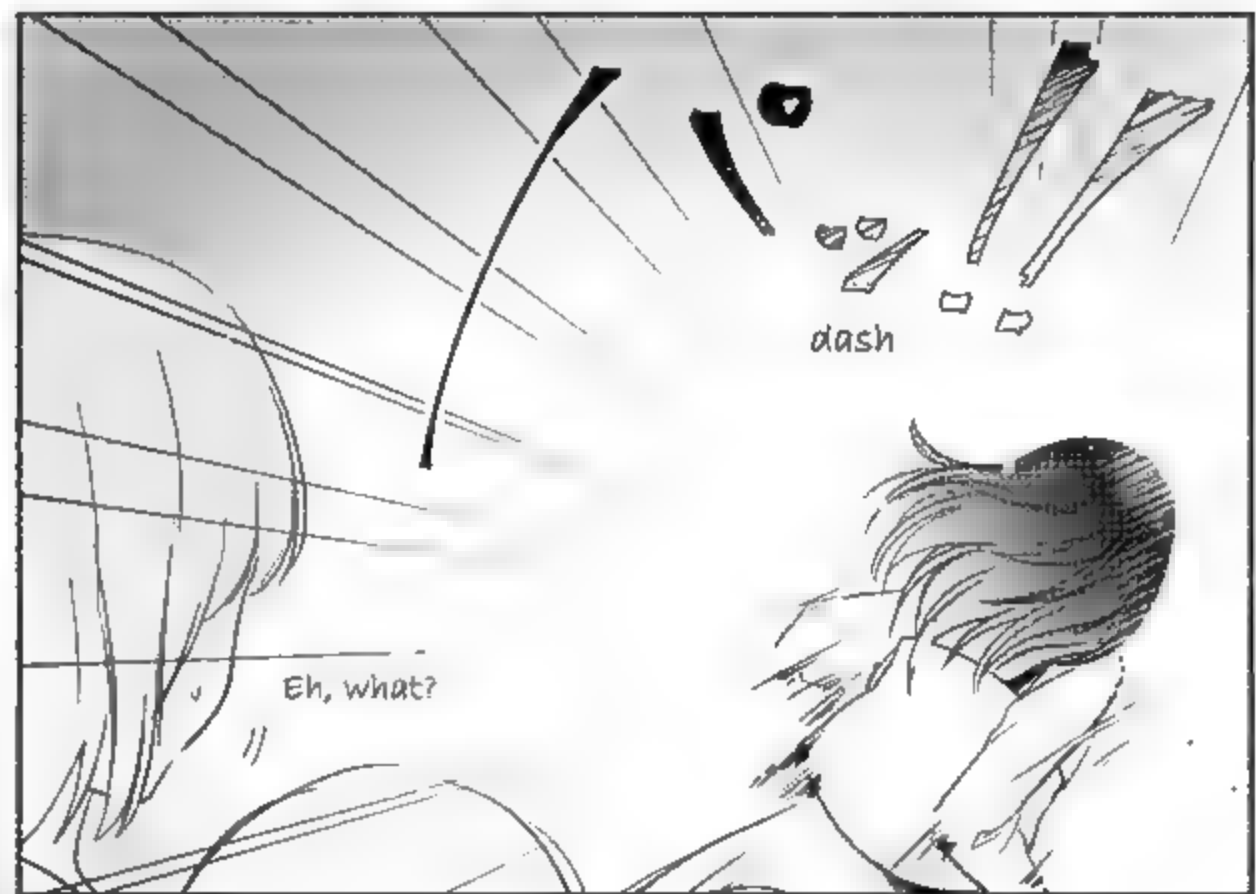

Maybe
suicide?

Oh my

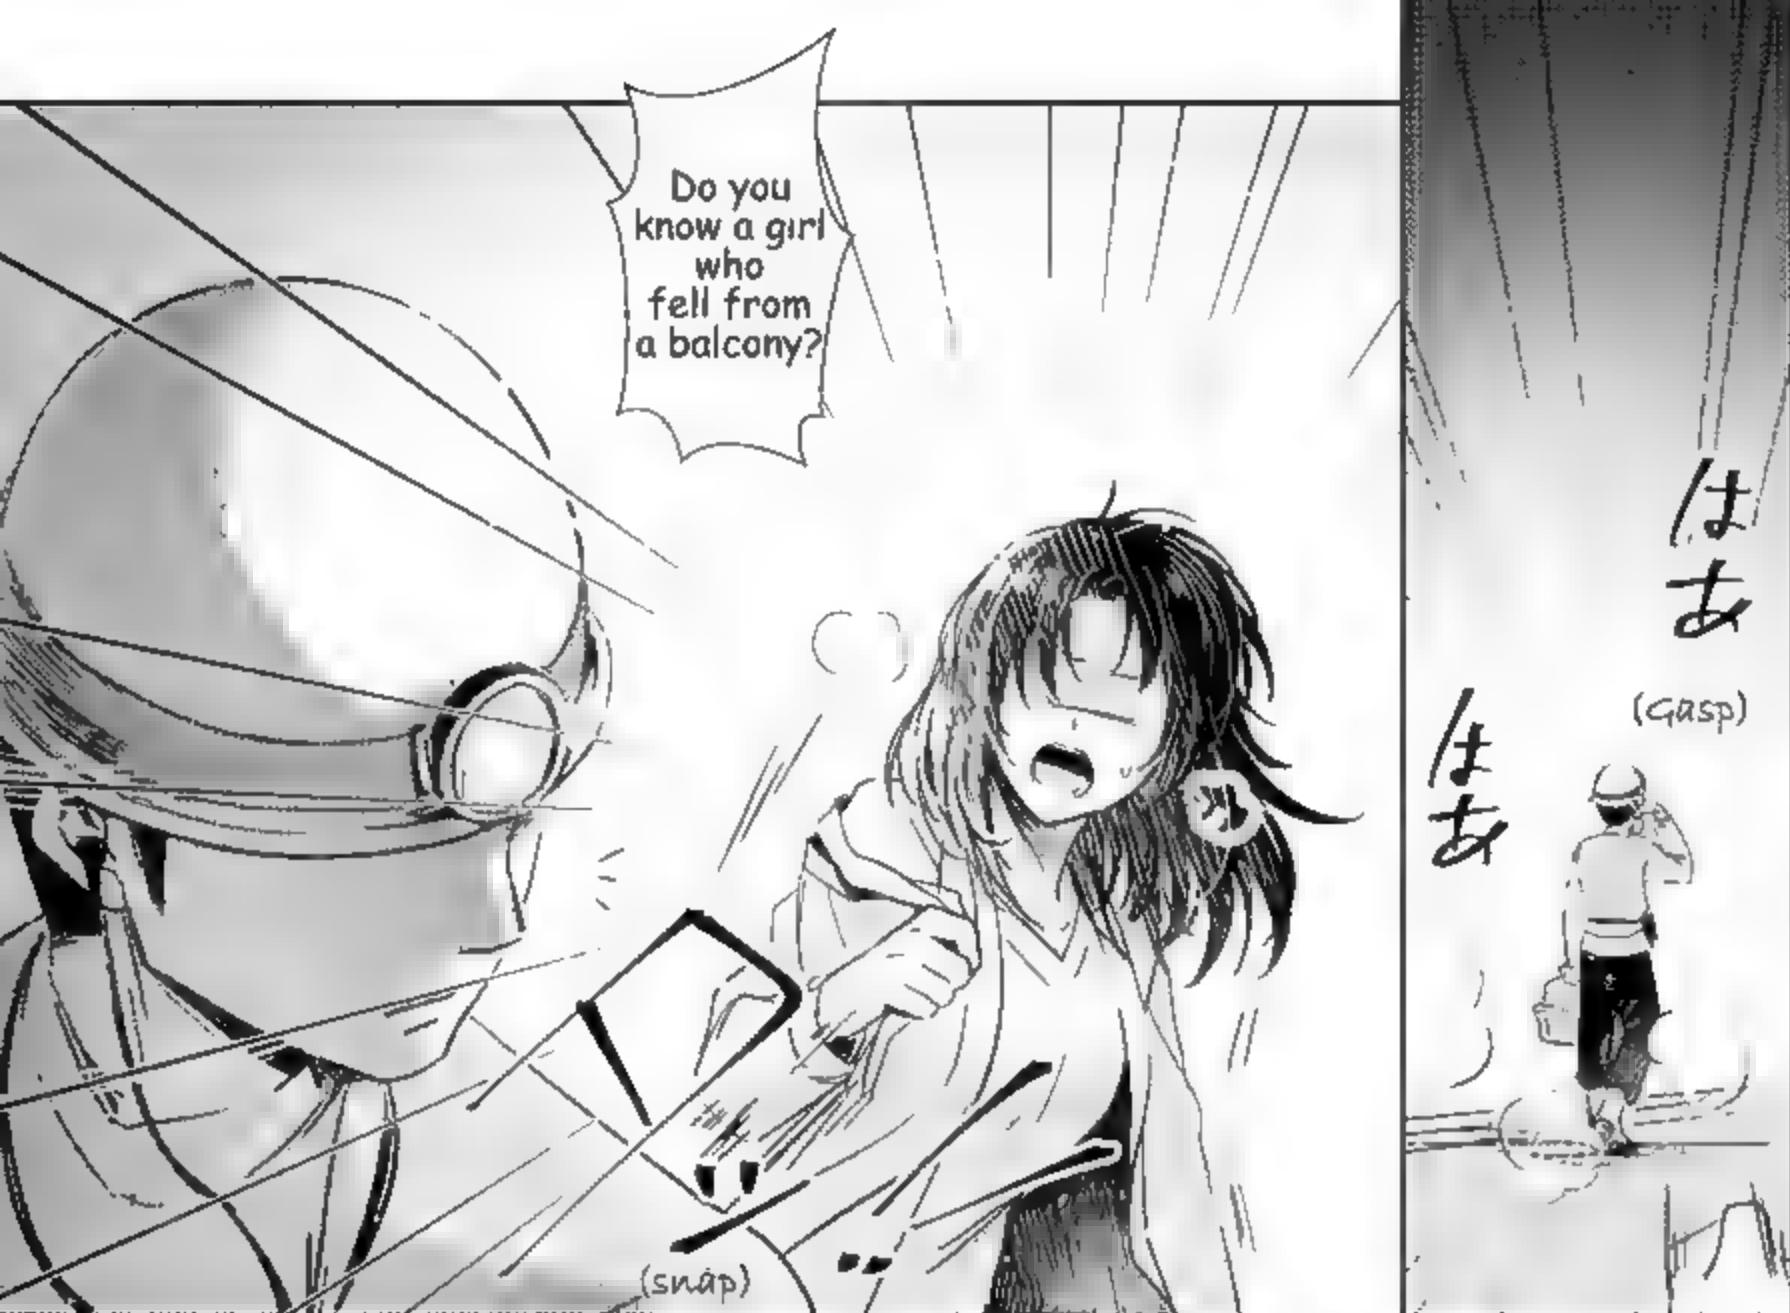

She
didn't
seem like
the kind
of person
to do
that...

I can't believe it

I don't
want to
believe it

Eh, what?

Do you
know a girl
who
fell from
a balcony?

(snap)

はあ
(Gasp)

はあ

I'm not
her
mother

Then,
I'm sorry
I can't
help you.

Are you
her
mother?
Your
husband
is at the
hospital.

はあ
...
(Gasp)

はあ
(Gasp)

I have to
say it.

I have to
say it.

I have to say—

She's being
abused.

She keeps denying it

but I know that she has not been eating well

She has cuts and bruises all over her body

and she was hit in the face the other day.

So

Something must have happened

when she fell from the balcony.

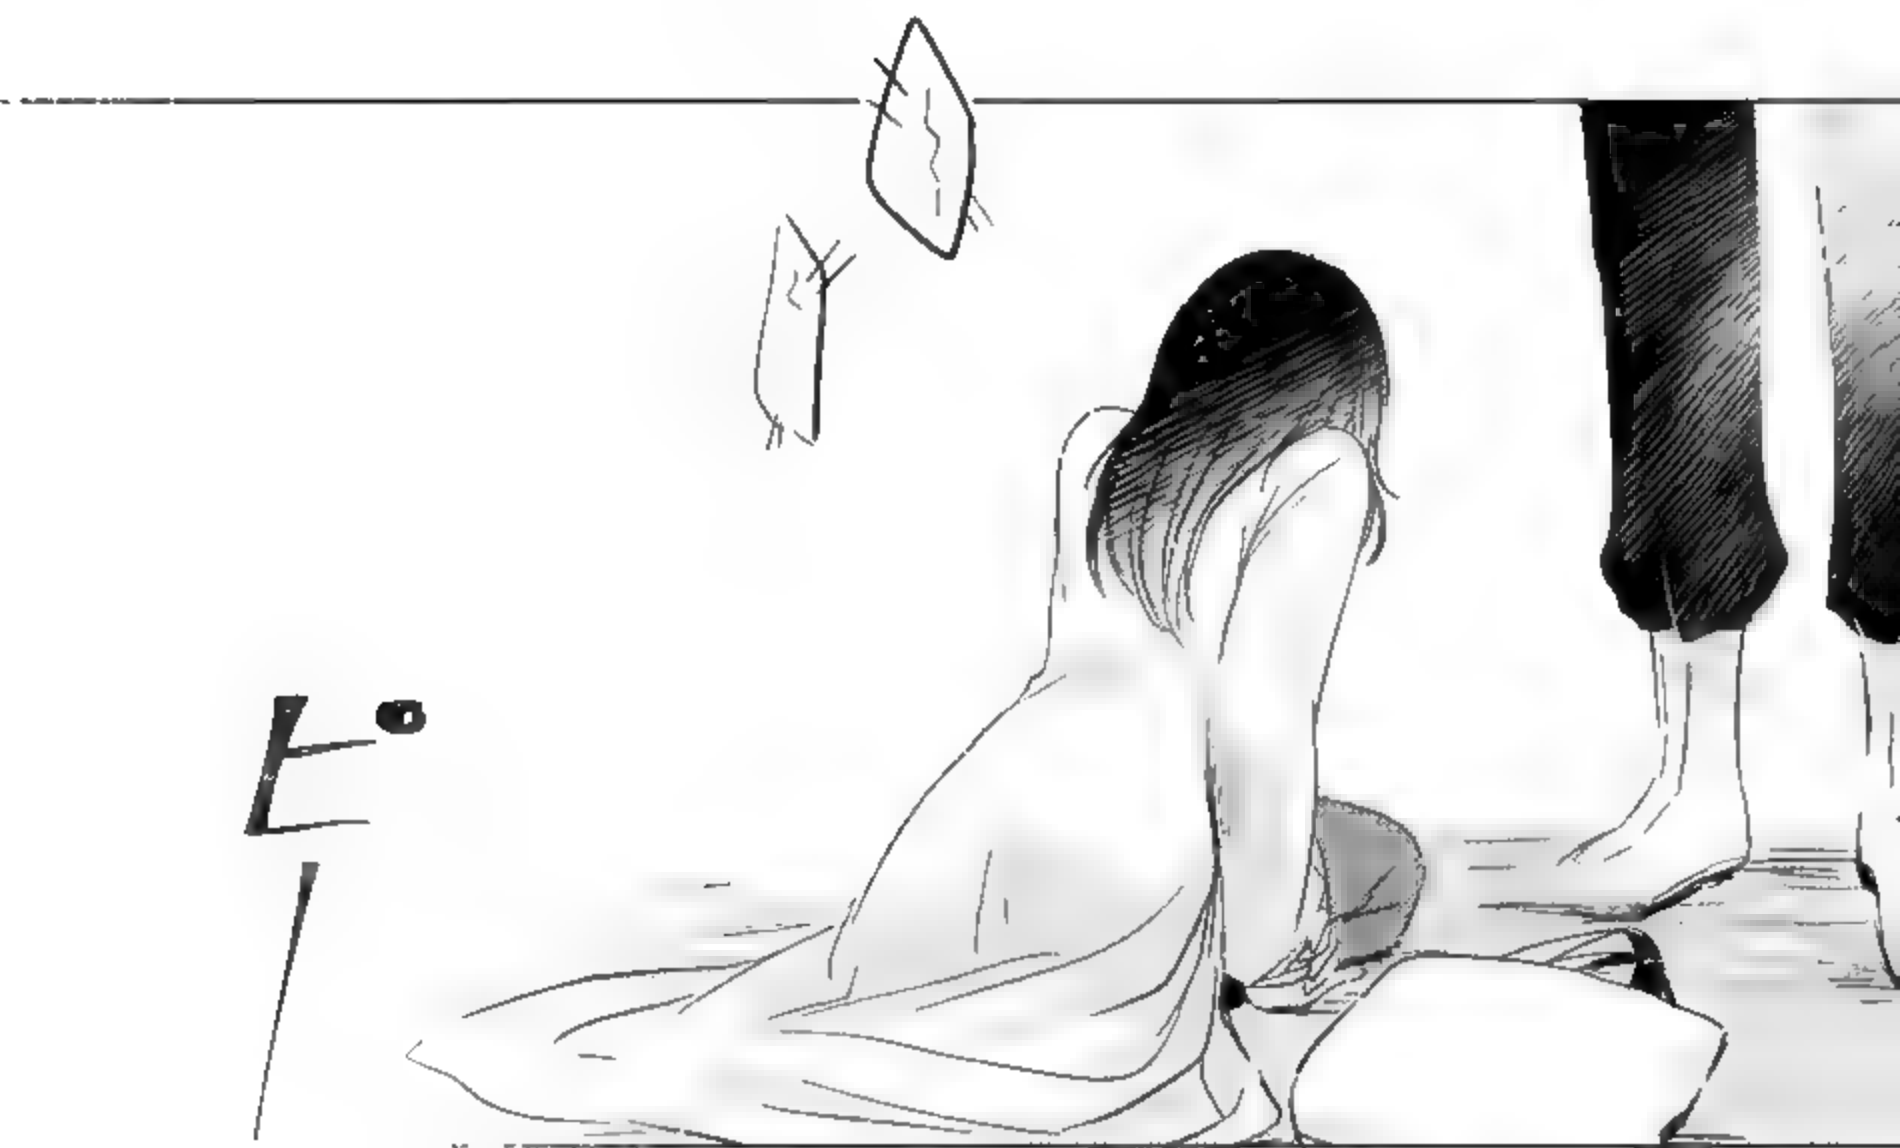

She couldn't have tried committing suicide.

バッ
(plunk)

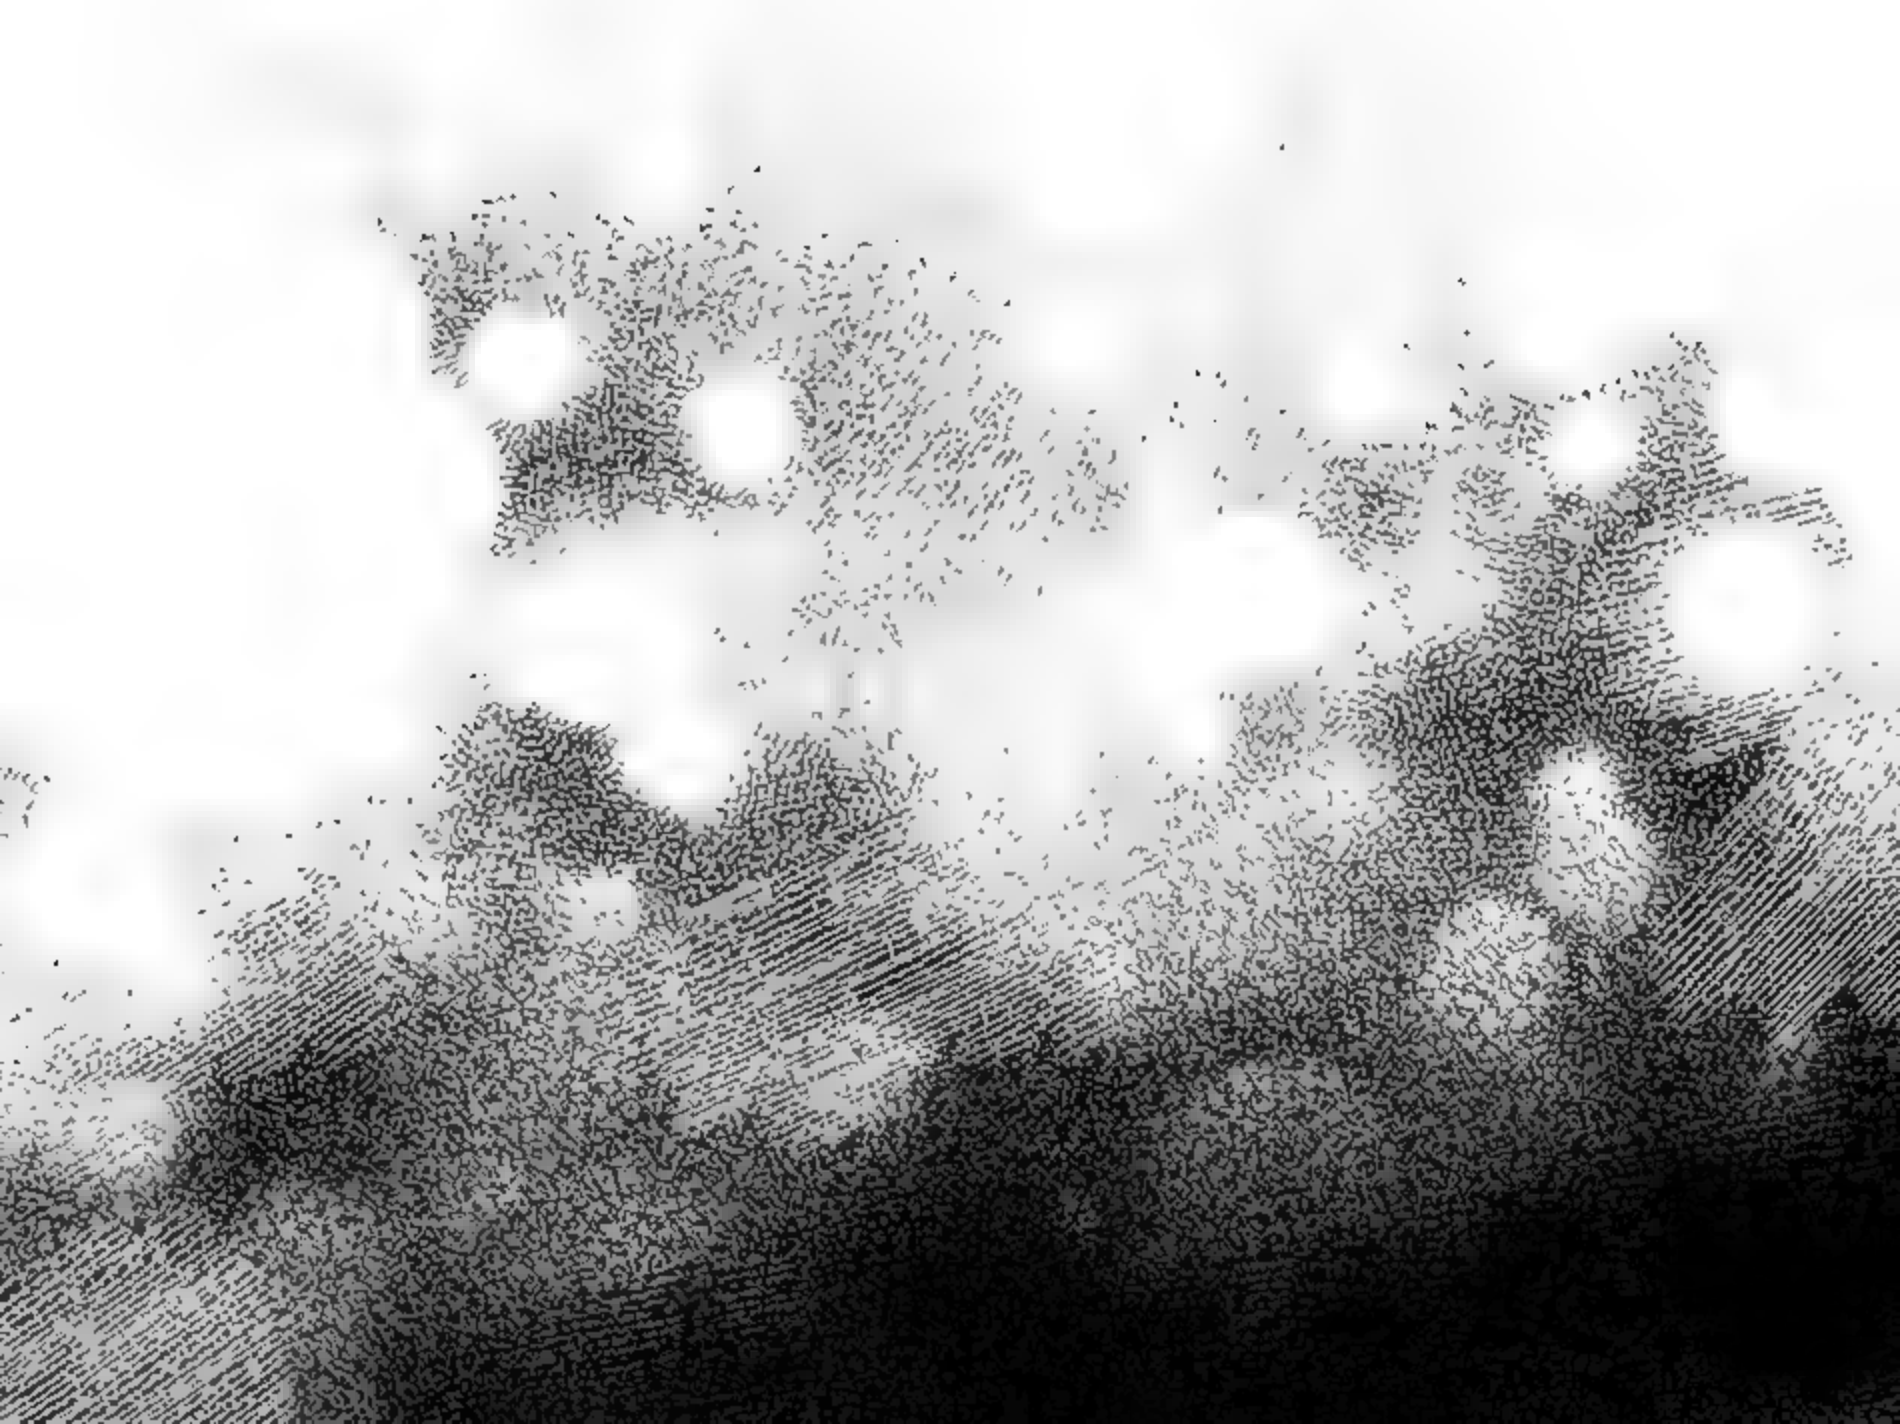

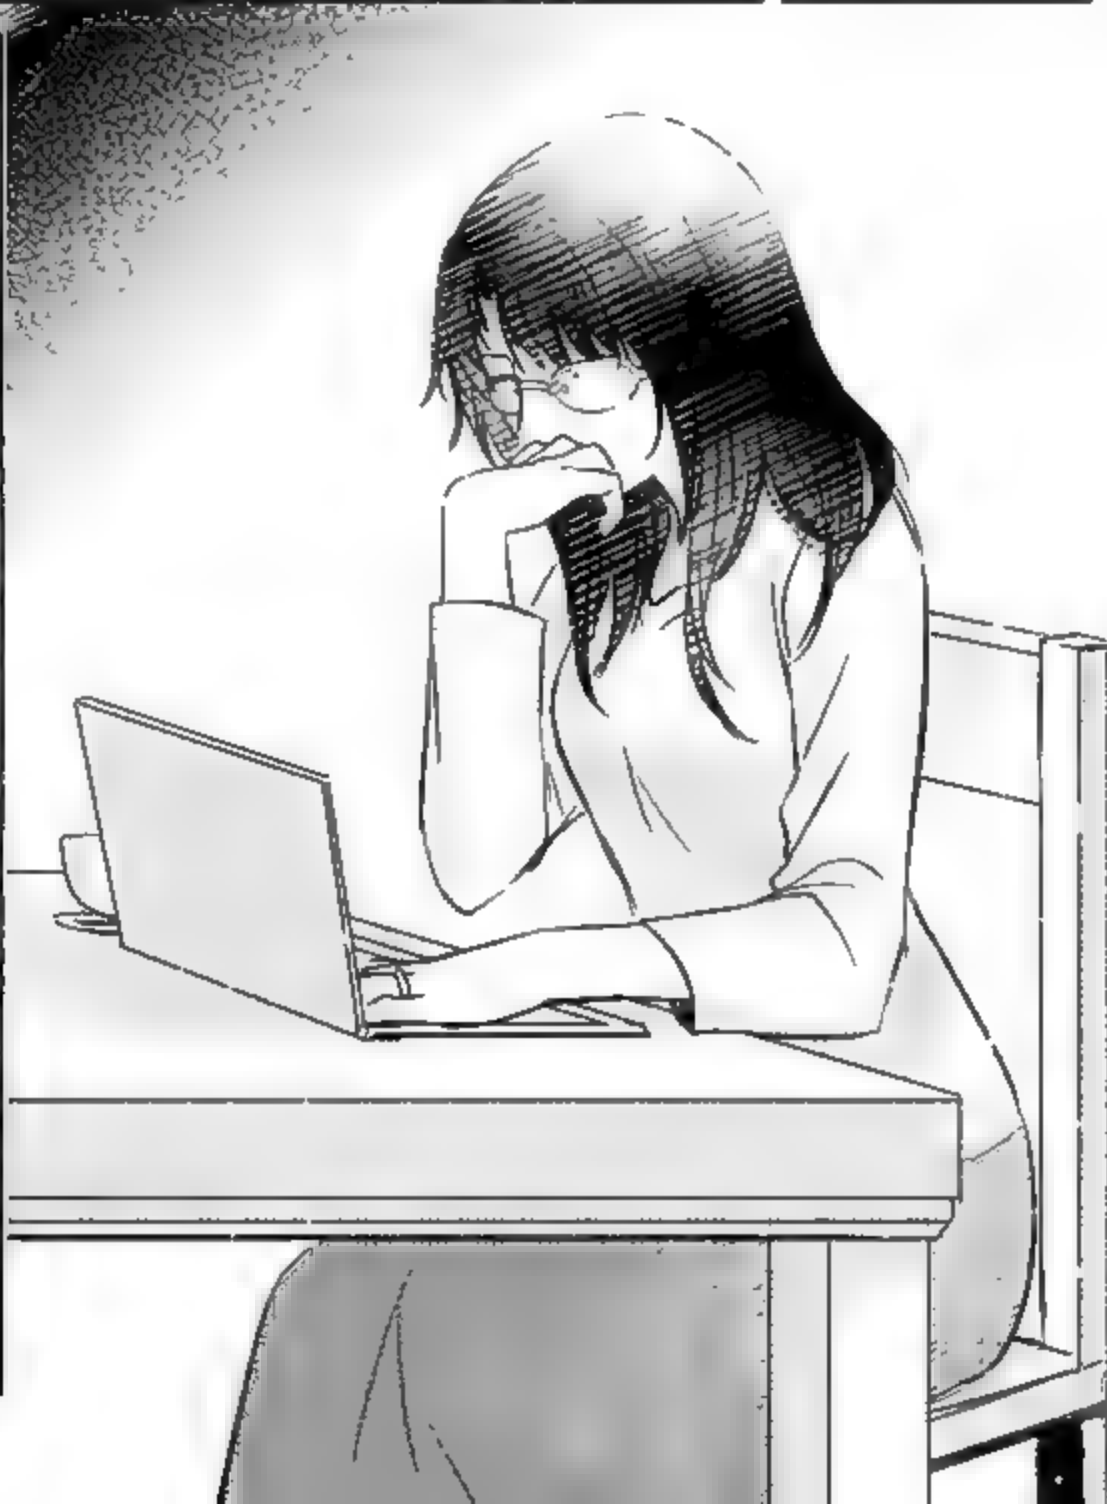

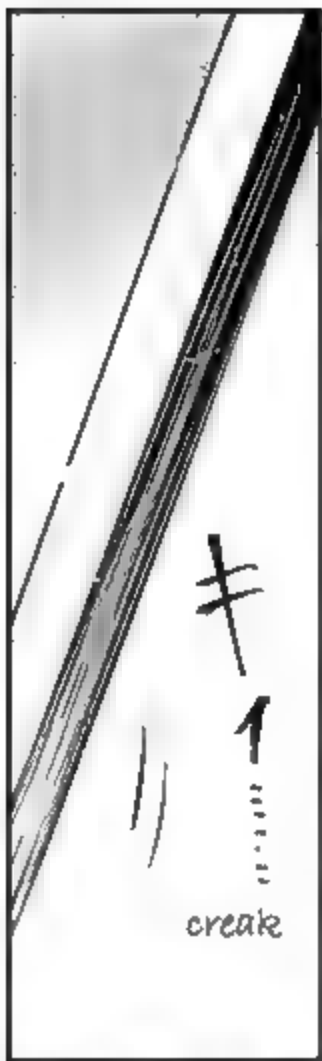

that was enough

That was enough.

I haven't
seen her
since then.

I received a lot of questions

and I've been going between the police
and child protective services often.

From day one,
she has been
hiding herself

I wonder if
she's safe
or what
kind of place
she's in.

The one thing
I'm sure about

is she's no longer here.

If

If I had
made up
my mind
sooner,

she
probably
wouldn't
have been
hurt.

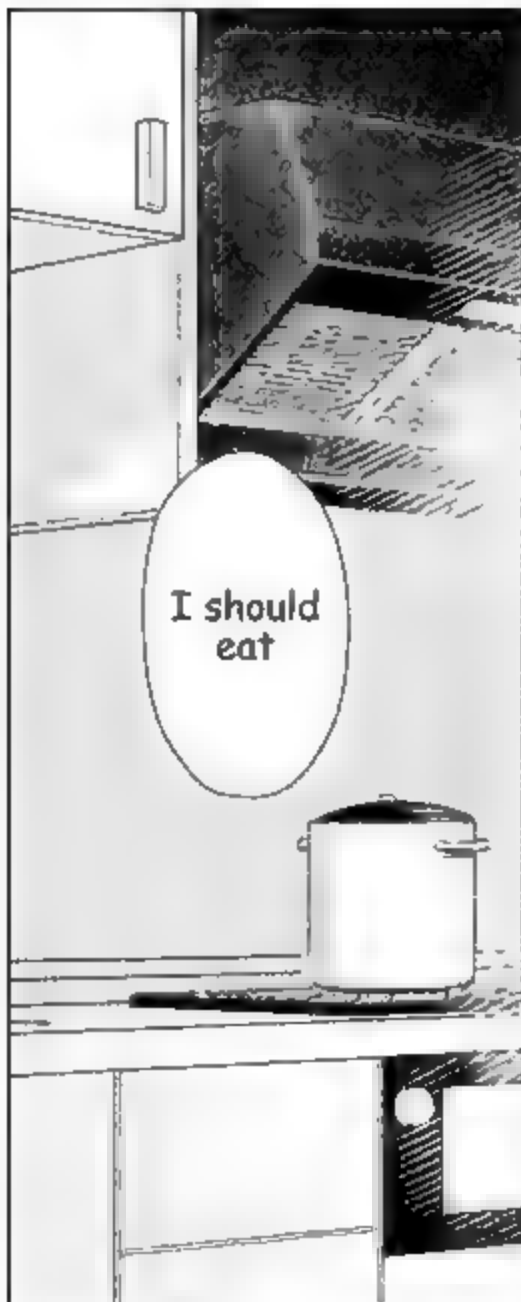

If I had
run away
with
her to
somewhere,

we
might be
together
even now.

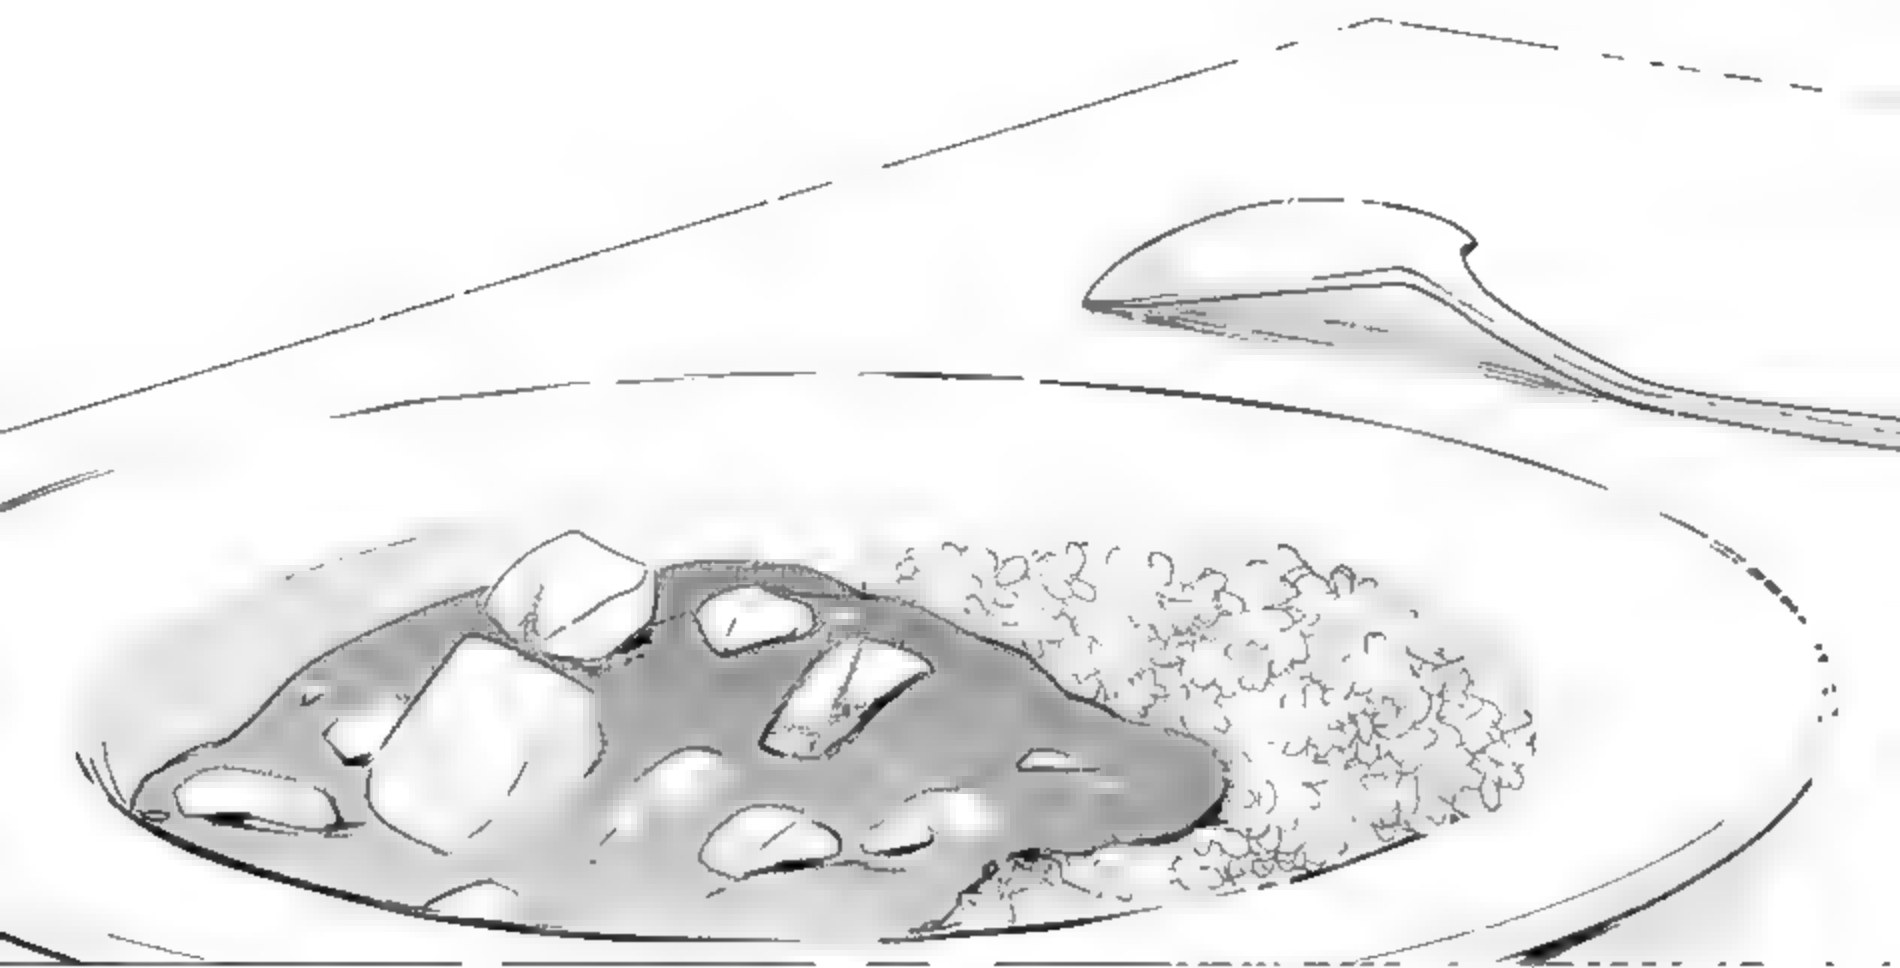

Stupid...
There's no way
I could do
something like that.

It's all just
wishful thinking.

I should
eat

I
made

a lot of
curry and
ate it
all alone

Well...

For the rest of my life,
I know I will have to make decisions which
means giving up on something else that could have been.

What will the next one be?

For
starters,
I should
ask her
something.

Thank you
for coming

Well...
what is
your name?
